

The Baldwin-Wallace College Master of Business Administration programs emphasize problem solving, effective communication, group dynamics, team leadership, human resource management, and international awareness – ideal preparation for the dynamic business environment of the 21st century.

Baldwin-Wallace College admits students of any race, sex, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the College.

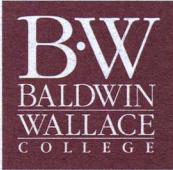

The Graduate Business Prematriculated Application is designed for students seeking admission to Baldwin-Wallace College who wish to complete a limited number of graduate business courses for personal and professional enrichment. This admission status is not intended for students who wish to complete a graduate degree in business and is not a substitute for formal admission to the graduate business program. Students entering the College under the prematriculated status are not guaranteed full admission to the graduate business program as degree seeking students if they choose to apply at a later date.

As a graduate business prematriculated student, you are permitted to take up to 8 semester hours for graduate credit. If you wish to continue enrolling in graduate course work at Baldwin-Wallace College after completing 8 semester hours, you will be required to submit for review the full graduate application for admission and all credentials required for that process.

To apply:

- Complete this application and return it to the Baldwin-Wallace College Office of Admission along with a \$15.00 non-refundable application fee. Make check payable to Baldwin-Wallace College.
• Submit official college/university transcript verifying completion of your bachelor's degree. A transcript should be mailed directly from the college/university where you earned your bachelor's degree to the B-W Office of Admission.
