

Week of March 15, 2010

If there are any events you would like for me to add to future newsletters, send an e-mail to honors@bw.edu. Thanks! :)

Honors Events

-On April 17th, the National Student Speech Language Hearing Association (NSSLHA) is hosting their annual 5K Walk/Run for communication. This year all proceeds will go to Smile Train, a non-profit organization that provides free cleft surgery to children in developing countries as well as trains doctors in this and related surgeries. Registration is \$10, or \$12 with a t-shirt, payable by cash or check.

We're looking to put a team together, so please if interested e-mail honors@bw.edu!

-Are you handy with a camera? Have you any photos of program events or just random good times with your friends? We are looking to create a calendar for next school year using photos of the students, by the students, and for the students (that means you!) They can be of practically anything, anywhere, anytime. E-mail any photos that you would like to be considered to honors@bw.edu.
