Math Club Kick-Off Meeting

Friday September 23, 2011, 12:10-12:55pm

MACS 146—brown bags are welcome.

The B-W Math Club will be a place for mathematics students to hang out, have fun together, and serve the B-W and wider community. At this kick-off meeting we will discuss club activities and leadership. Please bring your ideas and energy!

The B-W Math Seminar sponsors presentations by students, faculty, and outside guests, for all B-W students interested in the mathematical sciences.
