

Baldwin-Wallace College Part-Time Credit Discount Award

Beginning in 2009, Baldwin-Wallace College will offer a **\$100 per credit hour discount** to qualified **part-time undergraduate** students who meet the following criteria:

1. B-W Alumni, their spouses and their adult children
2. Spouses and adult children of students currently enrolled in graduate or undergraduate classes
3. Parents of currently enrolled graduate or undergraduate students

To qualify, candidates must be admitted to Baldwin-Wallace College to take undergraduate courses on a part-time basis. Candidates may take an equal number of credits (or fewer) as the current student, but may not exceed 11 credits per semester. Candidates enrolled in graduate programs (including the License + Master’s Program) and B-W employees already receiving tuition waiver benefits are not eligible for this award. This award is not retroactive to any previous semester enrollments.

If interested, complete and submit the form below to Lorrie Beatty, Coordinator of Academic Advising for Adult and Continuing Education, Bonds 102, prior to applying to Baldwin-Wallace College. Once a candidate’s eligibility is confirmed for this award, and admission to Baldwin-Wallace College is confirmed by the Admission Office, candidates will work with Lorrie Beatty to register for courses. To apply for admission, go online to www.bw.edu/apply or call 440-826-8012 to talk with an admission counselor.

It is the responsibility of the tuition discount award candidate to confirm on-going eligibility before the start of every semester. Alumni, their spouses or adult children do not need to confirm eligibility each semester after the initial application process is complete.

Questions? Contact Lorrie Beatty at 440-826-2295 or lbeatty@bw.edu.
