# Head Coach Reid Ayers

Reid Ayers is coming off a successful season as third-year Head Coach at Baldwin-Wallace College.

Ayers is the College's first full-time head coach and will be in his fourth

season in 2005.

Coach Ayers led the men to a school-record 14 victories last season with only one senior on the team. Nearly half of the squad had no varsity or college experience on the soccer field. He also led the team to the second consecutive national ranking in school history and the highest ranking ever in the Great Lakes Region. Ayers will look for a solid 2005 season with the men.

Prior to joining the Yellow Jackets, Ayers served as an assistant coach to Ohio Athletic Conference rival Mount Union College in 2001 and is no stranger to soccer in the OAC.

He previously coached in both the men's and women's programs at Ashland University (2000-2001) and Hiram College (1997-2000). A part of Ohio's college soccer scene for the past eight years, he has been a part of five conference championship teams and two teams that have advanced to the NCAA Division II or III National Tournament.

Ayers holds his National "A" License from the United States Soccer Federation. He is a member of

the Ohio Youth Soccer Association-North State Coaching Staff. At OYSAN, he is an age group coach in the Olympic Development Program, a state coaching license instructor and directs a state sponsored Center of Excellence.

Ayers recently was named to the Region II Olympic Development Staff, where he assesses and trains the elite players from 13 different states. He also serves as a regional coordinator for the United Soccer Academy in Del Ray Beach, Florida.

A prominent figure in the club soccer scene, Ayers has led teams to championships in the adidas Warrior Classic, Jarosi Memorial, Mid-American Soccer Classic, Crossroads Classic and adidas Charlotte Easter Showcase. He also had a third place finish in the USA Cup and made quarterfinal international appearances in the Gothia Cup, Dana Cup and the Manchester Soccer Festival.

Ayers completed his Masters of Arts degree from Kent State University in Sport and Recreation Management. A 1988 graduate of Hiram College, Ayers was team captain his junior and senior seasons and earned Most Valuable Player honors his se-

nior year.

A three-time All-Presidents Conference performer, Ayers is amongst the Hiram College all-time leaders in career and season assists. He holds the distinction of starting every game in his college career.

"We are pleased that Reid Ayers is leading our men's and women's soccer programs at Baldwin-Wallace College," said veteran B-W Athletic Director Steve Bankson.

"Reid is knowledgeable about the game of soccer, is an outstanding teacher of the game and expects excellence both in the classroom and on the field and is a fine tactician," said Bankson.

"In addition, Reid has shown in just three years that he is an outstanding recruiter and has both our men's and women's soccer programs moving in the right direction," said Bankson. "Each year, we have seen a great deal of improvement in each program.

"With Reid and his staff at the helm, we are looking for another excellent season in 2005," said Bankson. "We are lucky to have Reid Ayers at B-W."

## Assistant Coach Kurt Krueger

Kurt Krueger will begin his fourth season as the head assistant and strength and conditioning coordinator for the Yellow Jacket men's and women's soccer teams.

Krueger has a great deal of experience coaching soccer. He has been an assistant coach in the Ohio Youth Soccer Association North since the year 2000. He has also been coaching boys soccer at the Everest Soccer Club since 1998 and was an assistant coach for the

Green High School Boys soccer team since 1996, where they were a three-time regional semi-finalist and District Runners-Up in 2000.

Coach Krueger was named Boys Division I Assistant Coach of the Year in 2001 by the Greater Akron Scholastic Soccer Coaches Association.

While at B-W, Krueger also works with fellow assistant coach Tracy Hart in the women's program.

"Kurt is an outstanding coach and individual who helps me to get the best effort out of each and every player whether it is on the field of play or in the classroom," said Head Coach Reid Ayers.

"Kurt is a very competitive individual who transponds that on to our student-athletes," said Ayers. "He asks each player to give his or her total effort whether they are in a biology class or playing in a soccer game.

"In addition, Kurt cares a great deal about our program and where it is headed," said Ayers. "With his help, we are both looking to make B-W not only contender for an Ohio Athletic Conference title but also as a Great Lakes Region and national Division III tournament participant. We are lucky to have Kurt at Baldwin-Wallace College."

## Assistant Coach Tracy Hart

Tracy Hart will begin her 12th year of coaching soccer at Baldwin-Wallace College. She spends most of her time as a goalkeeper coach for the Yellow Jacket women's team.

Coach Hart graduated from Ohio Athletic Conference rival Marietta College and was an All-OAC goalie for the Pioneers.

Besides being an assistant coach with the soccer program, Hart teaches health and physical education in the Cleveland Municipal School District for grades kindergarten through eighth.

In 2001, she received the AFLAC

Assistant Coach of the Year award as voted upon by her peers.

"Tracy is an outstanding teacher of the game of soccer," said Yellow Jacket Head Coach Reid Ayers. "She brings a wealth of knowledge to the program and has a great rapport with our women's players. She is well-respected by both our players and the other members of our staff. Tracy is a great asset to our program."

Baldwin-Wallace College Assistant Women's Soccer Coach Tracy Hart received the 2001 AFLAC National Division III Assistant Coach of the Year Award for her efforts both on and off the field. Hart is a valuable member of the Yellow Jacket coaching staff.

## The Ohio Athletic Conference; the third oldest conference in the nation

Entering its 102nd year, the Ohio Athletic Conference will look to continue its prominence during the 2004-05 year. In 2003-2004, the OAC was once again represented well at the national level, both academically and athletically.

During the 2003-04 season the OAC advanced 11 teams to the NCAA Division III "Sweet 16", including Wilmington College winning the National Title in women's basketball. Mount Union College finished runner-up in football and the John Carroll University men's basketball squad finished third. Three teams finished in the "Elite Eight" at the NCAA's: Ohio Northern University in volleyball, Muskingum College in softball and Wilmington in indoor track and field; and five teams ended their seasons in the "Sweet 16": Baldwin-Wallace College in football, Wilmington in women's soccer, JCU in men's soccer and wrestling and Otterbein College in men's golf. Individually, Mount Union's Eddis Singleton and Wilmington's Emily Herring both became national champions in their respective events, the 50-yard freestyle in swimming and the high jump in track and field.

Individually, the Conference was represented by 56 All-Americans, 32 men and 24 women, and 13 Academic All-Americans to go along with a bevy of regional and national honors for our student-athletes and coaches. The Conference also had an athlete earn CoSIDA Academic All-America Team Member-of-the-Year honors in her respective sport.

The OAC, the third oldest conference in college athletics, is predated only by the Michigan Intercollegiate Athletic Association (1888) and the Big Ten (1895). The Conference is older than the World Series and even the NCAA itself and has survived two world wars, the Great Depression, the Korean War and the Vietnam Conflict. From a modest beginning of six charter members in 1902, the OAC grew to as many as 24 members in the mid-1920s.

Through the years a total of 30 colleges and universities at one time or another have been members of the OAC. Currently the Conference consists of 10 members, including Baldwin-Wallace College, Capital University, Heidelberg College, John Carroll University, Marietta College, Mount Union College,

M u s k i n g u m

College, Ohio Northern University, Otterbein College and Wilmington College. Wilmington became the 31st OAC member school, on July 1, 2000.

In the OAC's first year of existence, 1902, the first Conference champion was crowned. Case Tech won the football title with a 5-0-0 record. Outdoor track was added a year later and a third sport, cross country, became a Conference sport in 1914. More sports were steadily added to the OAC's repertoire throughout the years, culminating in the addition of women's sports in 1984. The Conference currently sponsors championships in 21 sports, 11 men's and 10 women's.

The enrollments at the 10 OAC institutions range from 1,200 to 4,500. All of the schools were founded in the 19th century and have long and outstanding academic reputations. While maintaining these high academic standards, Ohio Athletic Conference athletic teams and athletes have consistently enjoyed a great deal of success on a regional and national level. The athletic competition is viewed not as an end in itself, but as an extension of the educational programs.

# Three Baldwin-Wallace College Soccer Student-Athletes are Tabbed to the CoSIDA Academic All-District IV Soccer Teams

BEREA, OHIO -- Three Baldwin-Wallace College soccer student-athletes have been tabbed to the 2004 COSIDA (College Sports Information Directors of America) Academic All-District IV teams.

The honorees are sophomore men's soccer defender Tom Ehrnfelt (Strongsville) and women's players and sophomores Jenny Miller (North Ridgeville), a forward, and Emily Lawrentz (Mansfield/ Ashland Crestview), a midfielder. Ehrnfelt is a first-team choice and will now advance to the CoSIDA national Academic All-

America ballot. Both Miller and Lawrentz were second-team picks and do not qualify for the national ballot.

Ehrnfelt, who carries a 3.4 grade point average in pre-law, is a key defender for a Yellow Jacket team that finished its season at 14-5-1 overall. He helped B-W to tie the school single-season record for victories and advance to make the first-ever OAC Tournament appearance in school history.

Miller, who carries a 3.3 grade average in business administration, led the Yellow Jacket women in scoring with 12 goals and five assists for 29 points.

Lawrentz, a sport medicine/ biology major who carries a 3.903 grade average, had two goals and three assists for seven points. Miller and Lawrentz helped the Yellow Jacket women compile a 10-9-1 overall record and have their second winning season in the past three years.

After an outstanding 2004 soccer season in Berea, hopes are high for more success next year as each team will lose just one senior student-athlete to graduation next spring.

Ehrnfelt, who carries a 3.41 grade point average in pre-law, is a two-year starter who also earned second-team All-OAC and first-team CoSIDA Academic All-District IV accolades this fall. He is currently under consideration for CoSIDA Academic All-America honors. In 20 games, Ehrnfelt took seven total shots, including three shots on goal. On defense, he led an attack that allowed just 19 goals in 20 games (0.95 goals per game). Ehrnfelt was also tabbed to the all-tournament team at the Virginia Wesleyan tourney which B-W won the championship. In the classroom, Ehrnfelt is also a Dean's List student.

As a freshman in 2003, Ehrnfelt played in all 19 games and led the Yellow Jackets to a 12-7 overall record. He was named as B-W's Most Valuable Defensive Player as he scored one goal and assisted on two others for four total points.

"Tom Ehrnfelt is a leader both in the classroom and on the soccer field," said third-year Head Coach Reid Ayers. "He is a young man who has his priorities in the right place. Tom leads by example. On the soccer field, Tom is one of the best defenders in the OAC. We are glad that Tom is being honored for his dual excellence."

# The Facilities at Baldwin-Wallace College Are Among

The Baldwin-Wallace College student is afforded the opportunity to learn, exercise, practice and play in some of the finest facilities in small college athletics. In addition, as a student at B-W, each has an opportunity to use a group of facilities that are unparalleled in Division III athletics.

The Recreation Center with the Ursprung Gymnasium, Harrison Dillard Track and Natatorium, The George Finnie Stadium, the B-W Baseball Field, the "Pop" Collins Tennis Complex and other outdoor recreation and athletic areas at Baldwin-Wallace make the Yellow Jackets physical plant second to none among small colleges.

The Baldwin-Wallace College Recreation Center, dedicated on October 18, 1986, is a facility that benefits all B-W students, faculty, staff and alumni and is considered one of the top recreation facilities in the country.

The 150,000 square foot Rec Center serves as home for the health and physical education departments, all winter intercollegiate and intramural sports, as well as playing host for a number of amateur sporting events.

The Rec Center, which includes the Rudolph S. Ursprung Gymnasium, serves as the home of Yellow Jackets basketball,

volleyball and wrestling teams. Ursprung Gymnasium, which has housed B-W basketball since 1949, received a complete renovation in 1986. In addition to B-W playing in the Ursprung Gym, the Ohio High School Athletic Association has long

courts that can be used individually or in tandem for volleyball, basketball, tennis and other activities. On many occasions, the B-W basketball team has been playing a game while a wrestling match or an intramural basketball game was taking place in

used the B-W facility for its sectional and district tournaments for boys.

The fieldhouse consists of a 200-meter, six-lane track that is named for 1949 B-W graduate and four-time Olympic gold medalist Harrison Dillard. The track, with its Mondo surface, is both fast and comfortable for the walker, jogger or serious runner. Pits for the field events are also incorporated. The track surrounds three multi-purpose

the Rec Center fieldhouse.

The Harrison Dillard Track, along with the multi-purpose courts, have been home for the B-W indoor track teams, the John Summa Invitational Wrestling Tournament, the Ohio Sports Festival (basketball and wrestling venues) and many local high school track meets.

Also in the Rec Center is the B-W Natatorium, home to the Yellow Jacket

*The Baldwin-Wallace College Natatorium is home to Yellow Jacket swimming and diving. The pool is also available to all B-W students and receives use by the community and elderly.*

*The Harrison Dillard Track in the B-W Fieldhouse is a six-lane, 200-meter oval that has served as the site of many B-W, OAC, high school and amateur championship meets.*

# the Best for Any Small College in the Country

*In 1998 The George Finnie Stadium was filled with more than 10,000 fans to watch the Yellow Jackets play football. It is known as the "Magic Carpet." It has also served as the site for five Division III national track meets, the Pan Am Games qualifying meet, the Ohio Games and the A.A.U. Junior Olympic championships. It seats 8,100 fans comfortably.*

swimming and diving teams. The facility includes a 25-yard, six-lane pool with a one-meter diving board. The movable pool bottom has adaptive physical therapy applications and can be used by the disabled.

As part of the renovation of Ursprung, chairback seating and a new media center were constructed while training and physical therapy, laundry and eight locker rooms were added. Other features include a room for news media as well as exhibit and storage areas for the B-W Athletic Archives. The Archives give students, alumni, parents, friends and visitors to Baldwin-Wallace a glimpse of the rich tradition and heritage of Yellow Jacket teams and athletic greats.

The Finnie Stadium (pictured above) is one of the nations best small college stadiums for football and track and field. The Yellow Jacket men's and women's soccer teams also play at Finnie.

B-W has already hosted three NCAA Division III national championship track meets, numerous NCAA and Ohio High School Athletic Association football play-off games as well as being the home field to both Berea High School and Middleburg Heights Midpark High School. The Ohio Sports Festival/Ohio State Games also uses Finnie as both a regional and state championship site.

The B-W Baseball Field is located on the campus within walking distance of the

student dormitories. The facility has a manicured playing surface and seating for approximately 200 fans. The B-W Baseball Field has been the host site for four OAC Baseball Tournaments and is home to the nationally-ranked Yellow Jacket baseball squad.

The "Pop" Collins Tennis complex is named in honor of former B-W tennis coach

and teacher Arthur Worth Collins, the father of nationally renowned sportswriter and television tennis analyst Arthur "Bud" Collins '51. The facility is on campus and includes six courts which are lighted for night play.

In addition, the Yellow Jacket softball team plays at the Cuyahoga County Fairgrounds Field. Last spring was the first season for the Yellow Jackets at their new field.

Does such a strong group of facilities benefit the Yellow Jacket women's basketball program? Definitely! Practice time is available in the Ursprung Gym or the fieldhouse. That means the men and women can practice at the same time without conflict. Players have a wide variety of options for preseason and post season weight and conditioning programs.

"The entire Rec Center is a plus to our program," says head coach Cheri Harrer. "The playing, practice and dress facilities are among the finest in Division III. Having a number of courts in the fieldhouse gives us the opportunity to work with a greater number of players in our varsity and junior varsity programs.

"It is one of the finest training centers of any small college in the nation," says Harrer. "We feel the Rec Center has answered the needs of the B-W community."

*The student-athlete is afforded the best in equipment to use in B-W's weight and training rooms. B-W also benefits from its affiliation with the Cleveland Clinic Sports Medicine Division. A clinic doctor is at virtually every athletic event.*

# Baldwin-Wallace College;

*A Quality Education with a Personal Touch*

## Applying to Baldwin-Wallace

Admission to B-W is offered on a selective basis. Each application is reviewed independently on its own merits, with careful consideration of course work, class rank, grade point averages, recommendations, test results (SAT or ACT) and extracurricular activities. To apply for admission, we encourage you to complete the application between **September** and **March** of your senior year.

A good high school preparation for B-W includes four years of English, and at least three years of math, social science and natural science, two years of foreign language, and three years of additional academic electives.

Candidates are considered as soon as all application requirements have been met, with notification usually within four to six weeks after their credentials are received.

## An Exceptional Value

B-W is committed to making college affordable. In fact, your chances of receiving some form of financial assistance at B-W are excellent. Nearly two-thirds of our current students receive B-W need-based aid; and more than 90 percent receive assistance in some form.

Your first step in the financial aid process is to complete the F.A.F.S.A. (Free Application for Federal Student Aid). This should be completed no later than March 1st. After you have been admitted to B-W and the F.A.F.S.A. report has been received and processed, you will receive your award. Typically this will consist of gift assistance (need-based grant and scholarship), low interest federal loans and work study employment.

# Publicizing The Yellow Jacket Men's Soccer Student-Athlete;

*Every Baldwin-Wallace student-athlete is treated equally and fairly by the media*

## To The Parent's of Prospective B-W Men's Soccer Players

The Baldwin-Wallace College sports information office is pleased to be able to service all media who request information concerning Yellow Jacket athletic teams, coaches and student-athletes.

Members of the media are asked to contact the B-W Office of College Relations and Sports Information by either telephone or facsimile machine for the latest in team and individual information.

The Baldwin-Wallace College men's soccer student-athlete is one of the best publicized in all of small college and NCAA Division III athletics. Several factors help this to happen.

Its location, its national and conference affiliation and philosophy of athletics, its administration and coaches and its support of the student-athlete all play large roles in telling others about B-W and the successes of its student-athletes.

Baldwin-Wallace College is a small, private, liberal arts college located 12 miles southwest of Cleveland, Ohio. While being in the small and progressive local community of Berea, B-W student-athletes benefit from being close to a major urban area such as Greater Cleveland/Akron. B-W athletics receive support both in Cleveland and Akron and in the Berea community itself.

Being a member of the prestigious Ohio Athletic Conference and playing NCAA Division III athletics also is an advantage. Coaches who are teachers first forge a solid commitment to the Division III philosophy of the student-athlete. Baldwin-Wallace also is proud of its athletic heritage and the fact that it has produced 54 College Division Academic All-Americans since 1972. A year ago, B-W had two Academic All-Americans: football student-athlete Joe Harbour (Upper Sandusky, Ohio) and softball student-athlete Nicole Loudin (Sheffield Lake, Ohio).

"We feel that athletics participation is a part of the educational experience of our student-athletes, not apart from it," said Baldwin-Wallace College President Mark H. Collier.

"We are extremely proud of the success of our athletics programs and our student-athletes."

In 2003, Matt Kish, a football student-athlete attained the highest grade point average in the senior class and was awarded the Milton T. Baldwin Prize at graduation.

Support in terms of facilities, equipment and transportation and in staff provides the Baldwin-Wallace student-athlete with a luxury not enjoyed at many other schools.

One part of that support is in the area of sports information. A diligent staff of B-W sport information student assistants and sport management majors work with the director to publicize B-W and its coaches and student-athletes in 20 NCAA Division III sports.

The students learn first-hand about publicizing a program by updating the internet website, writing hometown press releases and doing feature stories, doing game and cumulative statistics as well as statistical analysis, game and special event programs, recruiting brochures and media guides, contacting local, state and national media sources prior to and after each game and promoting and administering special events during athletic contests.

Each Yellow Jacket Men's Soccer student-athlete receives a preseason, mid-season and postseason hometown press release which is sent to the individual student-athlete hometown newspaper. When the student-athletes fill out a preseason questionnaire, each is asked to list his or her hometown newspaper.

After each men's varsity soccer game, the internet website is updated, a FAX is sent to B-W's base of local, state and national media that regularly cover or have requested B-W coverage. In addition, hometown facsimile messages about individual performances are also sent either the night of the contest or the next day.

The day following an athletic event, statistics are updated and made available to all requesting the information.

Campus radio station WBWC, 88.3 FM, broadcasts all home and away football and basketball games as well as covering all other Yellow Jacket sporting events, press conferences or announcements on a selected basis. ***All Yellow Jacket men's and women's basketball games are also broadcast over the internet website at [www.bw.edu/athletics](http://www.bw.edu/athletics).*** A number of former B-W student broadcasters have gone to successful careers in the Greater Cleveland area, both in radio and in television. In addition, the four local commercial television stations and numerous radio stations do game coverage and feature interviews on a selected basis.

The Baldwin-Wallace College student-athlete receives excellent local small college coverage both in terms of game coverage and hometown coverage by *The Plain Dealer* (Cleveland's major daily with a circulation of more than 500,000 homes), the *Chronicle-Telegram* (based in Elyria, Ohio), the *Morning Journal* (based in Lorain, Ohio), the *Beacon-Journal* (based in Akron, Ohio), the *Medina County Gazette* (based in Medina, Ohio), the *Sun Newspapers* (Cleveland's largest weekly newspaper serving the Greater Cleveland area) and a number of other daily and weekly publications in Northeast Ohio.

Overall, the sports information office at Baldwin-Wallace College offers the student-athlete the opportunity to receive maximum exposure at the small college level. In addition to giving the Yellow Jacket student-athlete the most comprehensive coverage available at the NCAA Division III level, the B-W sports information student assistant garners solid skills in writing, communications, marketing, promotion and publication layout and design. Overall, 14 former SID student assistants have gone on to sports information careers at either the NCAA Division I and I-AA level such as the University of Texas, Arizona State University, the University of Nebraska, the University of Arkansas, the University of Florida, Monmouth (N.J.), Kent State University, Eastern Michigan University and others. Others are involved with professional teams such as the Kansas City Chiefs of the NFL and the Cleveland Force of the MISL.
