2004-2005 Season

B·W
BALDWIN
WALLACE
COLLEGE

Head Coach Michael Gallagher, M.A.

Michael Gallagher will be in his sixth season as the Head Coach of the men's and women's swimming and diving teams. His long-term goal is to make the Yellow Jacket swimming and diving program into one of the best in NCAA Division III. Since the arrival of coach Gallagher there have been 166 top-ten fastest times in Baldwin-Wallace College Swimming and Diving history achieved. In addition, there have been 28 individual and relay school records broken.

In the 2001-2002 season, Gallagher led the B-W women to the school's first-ever Ohio Athletic Conference swimming and diving championship. Two years ago, he was selected as the Ohio Athletic Conference Women's Swimming Coach of the Year. This year, he hopes to take his Yellow Jackets to even greater heights.

Gallagher joined the Baldwin-Wallace staff from NCAA Division I Ball State University in Muncie, Indiana where he was an assistant coach for the women's swimming team for two

years. In his first year at B-W, Gallagher led the Yellow Jackets to improved seasons.

Gallagher received both his undergraduate and Masters degrees, with an emphasis in sport psychology, from Ball State (Ind.) University. At Ball State, Gallagher was a Dean's List student, a Mid American Conference champion, a school record holder and team captain (1992-93). He was also a Junior College All-American at Triton (Ill.) College from 1989-91 and was selected as the Triton College *Athlete of the Year* in 1991.

"My coaching philosophy as men's and women's swimming and diving coach is to help each student-athlete in any way to achieve success not only in swimming and diving but also in life," said Gallagher. "I expect myself and the student-athletes I coach to do whatever it takes, within our value system, to achieve our goals and dreams in every aspect of our lives (e.g., family, academics and athletics)."

Prior to his arrival, Gallagher was a

member of the Ft. Lauderdale swim team that won a national championship in 1996. Gallagher also coached and taught at numerous swim clubs and organizations, including the Cardinal Community Swim Club in Muncie, Ind. (1993-94 and 1997-98), the South Dakota All-Stars Head Coach in 1997, the Black Hills Swimming Team (Spearfish, S.D.) in 1996-97 and the Tullahoma Swim Club (Tullahoma, Tenn.) in 1994-95. Gallagher is currently a member of the Collegiate Swimming Coaches Association and the United States Masters Swimming.

B-W Swimming and Diving Facts Since the Arrival of Coach Gallagher:

- From 1990-2003, the swimming and diving team has been named Academic All-American by the College Swimming Coaches Association of America.
- In 2002, the women won their first OAC Championship in the history of Baldwin-Wallace College.
- 28 Men's and Women's Individual and Relay School Records Broken.
- 225 All-OAC Championship Performances.
- 40 OAC Champion Performances.
- In 2002 and 2004, the women's swimming and diving team was undefeated in the OAC dual meet season.
- There have been 166 Top Ten performances in B-W Swimming and Diving History.

Assistant Coach Matt Demaline '02 and Bob Fortune

Matt Demaline

Matt Demaline will be in his first season as an assistant swimming coach at Baldwin-Wallace College.

Demaline, a 2002 graduate of Baldwin-Wallace, earned a Bachelor of Arts degree in history. He serves as an assistant pool manager and lifeguard instructor for the Lakewood Recreation Department in addition to his coaching duties at B-W and is currently working towards a Master's of Education degree at Notre Dame College of Ohio. Prior to joining the staff at the Lakewood Recreation Center, Demaline worked in 2002-2003 at the Wooster YMCA as the Associate Aquatics Director.

Demaline is also a graduate of Lakewood Senior High School.

"We are pleased to welcome Matt back to B-W to assist with the development of our program and our student-athletes," said veteran Yellow Jacket Head Coach Mike Gallagher. "Matt is familiar with the philosophy of the program and will aid with the day-to-day operation and recruiting.

"Matt is a solid young man who had a strong four-year varsity career as a swimmer and student at B-W," continued Gallagher. "We feel that Matt will be a fine addition to our staff."

While at B-W Demaline was a four-year varsity letter winner and competed primarily in the distance freestyle events. In the 1650-yard freestyle, Demaline still holds the ninth fastest time in school history with a time of 18:55.86. In Demaline's senior year, he

finished fourth in the 1650 free at the Ohio Athletic Conference Championship Meet.

Demaline currently resides in Lakewood.

Demaline and Gallagher are joined on the staff by veteran diving coach Bob Fortune.

Bob Fortune is in his 16th year as the head diving coach at Baldwin-Wallace College. He is a 1962 graduate of Baldwin-Wallace and has coached numerous conference champions and national qualifiers.

In 2002, he was named OAC "Diving Coach of the Year."

Bob Fortune

2004-2005 SWIMMING AND DIVING TEAM

FIRST ROW: Susan Rebrovich, Corey Kregenow, Jeremy Szabo, Dan DiCicco, David Fournier, Joe Meyer, Mark Harris and Alex de la Pena.

SECOND ROW: Kellie Rosenbaum, Ambica Iyengar, Kali Dye, Katie Wallace, Emily Meade, Erica Brubach, Sarah Michalsky, Stephanie Zurca, Sarah Anders and Sara Gombash.

THIRD ROW: Bill Lampe, Julie Stancliff, Adam Gaydos, Mark Smith, Jake Saul, Matt Grady, Stephanie Markley, Mary Dye, Emily Wood, Katie Klaus and Tiffany Gribble.

FOURTH ROW: Assistant Coach Matt Demaline, Luke Grilli, Nicole Bucci, Danielle Walick, Sara Riegelmayr, Kristen Showalter and Lisa Fox.

BACK ROW: Head Coach Mike Gallagher, Assistant Coach Bob Fortune, Nick Hanna, Katie Kryzwicki, Matt Davey, Keith DeVore and Kris Reiber.

The Facilities at Baldwin-Wallace College Are Among

The Baldwin-Wallace College student is afforded the opportunity to learn, exercise, practice and play in some of the finest facilities in small college athletics. In addition, as a student at B-W, each has an opportunity to use a group of facilities that are unparalleled in Division III athletics.

The Recreation Center with the Ursprung Gymnasium, Harrison Dillard Track and Natatorium, The George Finnie Stadium, the B-W Baseball Field, the "Pop" Collins Tennis Complex and other outdoor recreation and athletic areas at Baldwin-Wallace make the Yellow Jackets physical plant second to none among small colleges.

The Baldwin-Wallace College Recreation Center, dedicated on October 18, 1986, is a facility that benefits all B-W students, faculty, staff and alumni and is considered one of the top recreation facilities in the country.

The 150,000 square foot Recreation Center serves as home for the health and physical education departments, all winter intercollegiate and intramural sports, as well as playing host for a number of amateur sporting events.

The Recreation Center, which includes the Rudolph S. Ursprung Gymnasium, serves as the home of Yellow Jackets basketball,

volleyball and wrestling teams. Ursprung Gymnasium, which has housed B-W basketball since 1949, received a complete renovation in 1986. In addition to B-W playing in the Ursprung Gym, the Ohio High School Athletic Association has long

courts that can be used individually or in tandem for volleyball, basketball, tennis and other activities. On many occasions, the B-W basketball team has been playing a game while a wrestling match or an intramural basketball game was taking place in

The Ursprung Gymnasium was renovated in 1986 and seats more than 2,800 fans for basketball, volleyball and wrestling. The basketball stands are situated away from the floor with an excellent view from any angle.

used the B-W facility for its sectional and district tournaments for boys.

The fieldhouse consists of a 200-meter, six-lane track that is named for 1949 B-W graduate and four-time Olympic gold medalist Harrison Dillard. The track, with its Mondo surface, is both fast and comfortable for the walker, jogger or serious runner. Pits for the field events are also incorporated. The track surrounds three multipurpose

the Recreation Center fieldhouse.

The Harrison Dillard Track, along with the multipurpose courts, have been home for the B-W indoor track teams, the John Summa Invitational Wrestling Tournament, the Ohio Sports Festival (basketball and wrestling venues) and many local high school track meets.

Also in the Recreation Center is the B-W Natatorium, home to the Yellow Jacket

The Baldwin-Wallace College Natatorium is home to Yellow Jacket swimming and diving. The pool is also available to all B-W students and receives use by the community and elderly.

The Harrison Dillard Track in the B-W Fieldhouse is a six-lane, 200-meter oval that has served as the site of many B-W, OAC, high school and amateur championship meets.

the Best for Any Small College in the Country

In 1998 The George Finnie Stadium was filled with more than 10,000 fans to watch the Yellow Jackets play football. It is known as the "Magic Carpet." It has also served as the site for five Division III national track meets, the Pan Am Games qualifying meet, the Ohio Games and the A.A.U. Junior Olympic championships. It seats 8,100 fans comfortably.

swimming and diving teams. The facility includes a 25-yard, six-lane pool with a one-meter diving board. The movable pool bottom has adaptive physical therapy applications and can be used by the disabled.

As part of the renovation of Ursprung, chairback seating and a new media center were constructed while training and physical therapy, laundry and eight locker rooms were added. Other features include a room for news media as well as exhibit and storage areas for the B-W Athletic Archives. The Archives give students, alumni, parents, friends and visitors to Baldwin-Wallace a glimpse of the rich tradition and heritage of Yellow Jacket teams and athletic greats.

The Finnie Stadium (pictured above) is one of the nations best small college stadiums for football and track and field. The Yellow Jacket men's and women's soccer teams also play at Finnie.

B-W has already hosted three NCAA Division III national championship track meets, numerous NCAA and Ohio High School Athletic Association football play-off games as well as being the home field to both Berea High School and Middleburg Heights Midpark High School. The Ohio Sports Festival/Ohio State Games also uses Finnie as both a regional and state championship site.

The B-W Baseball Field is located on the campus within walking distance of the student dormitories. The facility has a manicured playing surface and seating for approximately 200 fans. The B-W Baseball Field has been the host site for four OAC Baseball Tournaments and is home to the nationally-ranked Yellow Jacket baseball squad.

The "Pop" Collins Tennis complex is named in honor of former B-W tennis coach and teacher Arthur Worth Collins, the father of nationally renowned sportswriter and television tennis analyst Arthur "Bud" Collins '51. The facility is on campus and includes six courts which are lighted for night play.

In addition, the Yellow Jacket softball team plays at the Cuyahoga County Fairgrounds Field. Last spring was the first season for the Yellow Jackets at their new field.

Does such a strong group of facilities benefit the Yellow Jacket women's basketball program? Definitely! Practice time is available in the Ursprung Gym or the fieldhouse. That means the men and women can practice at the same time without conflict. Players have a wide variety of options for preseason and post season weight and conditioning programs.

"The entire Recreation Center is a plus to our program," says head coach Cheri Harrer. "The playing, practice and dress facilities are among the finest in Division III. Having a number of courts in the fieldhouse gives us the opportunity to work with a greater number of players in our varsity and junior varsity programs.

"It is one of the finest training centers of any small college in the nation," says Harrer. "We feel the Recreation Center has answered the needs of the B-W community."

The student-athlete is afforded the best in equipment to use in B-W's weight and training rooms. B-W also benefits from its affiliation with the Cleveland Clinic Sports Medicine Division. A clinic doctor is at virtually every athletic event.

The Ohio Athletic Conference; The third oldest conference in the nation

TWINSBURG, OHIO -- Entering its 102nd year, the Ohio Athletic Conference will look to continue its prominence during the 2004-05 year. In 2003-2004, the OAC was once again represented well at the national level, both academically and athletically.

During the 2003-04 season the OAC advanced 11 teams to the NCAA Division III "Sweet 16", including Wilmington College winning the National Title in women's basketball. Mount Union College finished runner-up in football and the John Carroll University men's basketball squad finished third. Three teams finished in the "Elite Eight" at the NCAA's: Ohio Northern University in volleyball, Muskingum College in softball and Wilmington in indoor track and field; and five teams ended their seasons in the "Sweet 16": Baldwin-Wallace College in football, Wilmington in women's soccer, JCU in men's soccer and wrestling and Otterbein College in men's golf. Individually, Mount Union's Eddis Singleton and Wilmington's Emily Herring both became national champions in their respective events, the 50-yard freestyle in swimming and the high jump in track and field.

Individually, the Conference was represented by 56 All-Americans, 32 men and 24 women, and 13 Academic All-Americans to go along with a bevy of regional and national honors for our student-athletes and coaches. The Conference also had an athlete earn CoSIDA Academic All-America Team Member-of-the-Year honors in her respective sport.

The OAC, the third oldest conference in college athletics, is predated only by the Michigan Intercollegiate Athletic Association (1888) and the Big Ten (1895). The Conference is older than the World Series and even the NCAA itself and has survived two world wars, the Great Depression, the Korean War and the Vietnam Conflict. From a modest beginning of six charter members in 1902, the OAC grew to as many as 24 members in the mid-1920s.

Through the years a total of 30 colleges and universities at one time or another have been members of the OAC. Currently the Conference consists of 10 members, including Baldwin-Wallace College, Capital University, Heidelberg College, John Carroll University, Marietta College, Mount Union College, Muskingum College, Ohio Northern

University, Otterbein College and Wilmington College. Wilmington became the 31st OAC member school, on July 1, 2000.

In the OAC's first year of existence, 1902, the first Conference champion was crowned Case Tech won the football title with a 5-0-0 record. Outdoor track was added a year later and a third sport, cross country, became a Conference sport in 1914. More sports were steadily added to the OAC's repertoire throughout the years, culminating in the addition of women's sports in 1984. The Conference currently sponsors championships in 21 sports, 11 men's and 10 women's.

The enrollments at the 10 OAC institutions range from 1,200 to 4,500. All of the schools were founded in the 19th century and have long and outstanding academic reputations. While maintaining these high academic standards, Ohio Athletic Conference athletic teams and athletes have consistently enjoyed a great deal of success on a regional and national level. The athletic competition is viewed not as an end in itself, but as an extension of the educational programs.

About the B-W Swimming and Diving Program

The men's and women's swimming and diving programs have improved dramatically over the years. Since the arrival of Head Swimming Coach Michael Gallagher in 1999, both teams have improved at an even faster rate. During the 2001-02 season, the B-W women set 12 school records and won the school's first-ever OAC Swimming and Diving Championship team title. Over the past five seasons the men and women have set and reset 28 individual and relay school records. Additionally, there have been 166 top ten performances in B-W swimming and diving history. Since 1990, the program has annually earned All-Academic status by the College Swimming Coaches Association of America.

The 2004-05 swimming and diving season will be based on the following

quote: "Destiny does not happen by chance. It happens with the choices that you make." This year, like in the past, our swimmers and divers will be expected to make choices that will help us become victorious at the Conference championships" said sixth year head swimming and diving coach Mike Gallagher.

This season, the Yellow Jackets will be led by seniors Kristen Showalter (Bowling Green), Lisa Fox (Copley), Sara Riegelmayr (Parma Heights) and Danielle Walick (North Olmsted). Juniors Mary Dye (Twinsburg), Emily Wood (Carrollton), Stephanie Zurca (Aurora) will also contribute to the success of the team.

The men's team will be led by seniors Keith DeVore (Mansfield/Ontario), Matt Davey (Marion), Kris

Reiber (Cincinnati/Turpin) and Nick Hanna (Napoleon). Junior Bill Lampe (Fairview) will help lead the Yellow Jackets to victory this year.

"I have confidence in our seniors that they will be outstanding leaders and will set an example for our younger swimmers and divers to follow," said Coach Gallagher. "We expect that the senior group will lead us to another successful year. We are looking forward to the challenges ahead."

The main focus of the swimming and diving program at B-W is to develop physical and mental toughness in each individual student-athlete.

Yellow Jacket Swimmers and Divers Have an Outstanding 2003-2004 Ohio Athletic Conference Championship Meet

BEREA, OHIO -- The Baldwin-Wallace College Swimming and Diving team had an outstanding weekend of competition at the 2004 Ohio Athletic Conference Swimming and Diving Championship Meet which was held at Case Western Reserve University in University Circle, Ohio.

The Yellow Jacket women finished second and the men were third. Although neither team claimed a championship trophy, numerous Yellow Jackets won individual titles and one relay squad claimed victory. Highlighting the meet were three first-year swimmers and divers. They were freshmen divers Chris Rochford (Berea) and Julie Stancliff (Erie, Pennsylvania/McDowell) and freshman butterfly specialist Sara Gombash (Perrysburg/ Toledo Notre Dame). Overall, the Yellow Jacket swimmers and divers claimed 12 event titles.

Both Rochford and Stancliff each claimed titles in the one and three-meter diving events and subsequently earned the title of OAC Male and Female Diver of the Year, respectively. In addition, Stancliff qualified automatically for the 2004 NCAA Division III National Championship Meet. Gombash won both the 100 and 200-yard butterfly events, set OAC records in both events and qualified provisionally for the Division III national meet in the 100 fly.

"We had an outstanding meet in which we won some individual titles and relays, had the two Divers of the Year, set some school and conference records and had a bushel load of per-

sonal best times and B-W all-time Top 10 finishes," said fifth-year Head Coach Mike Gallagher. "I am so proud of our swimmers and divers, especially our seniors. Although we did not win a title, we swam like champions."

On the first day, junior Kristen Showalter (Bowling Green) won her second career OAC title in the 500-yard freestyle with a time of 5:21.34. She also won the 500-yard freestyle as a freshman in 2002 when the B-W women won the OAC crown. In addition, a pair of freshman took first and second places in the one-meter diving event. Stancliff finished first with 377.30 points and was followed by teammate Katie Krzywicki (Brook Park/ Midpark) with 312.25 points. Stancliff's point total qualified her for the national meet in the second week of March. Other women's first day highlights included junior Lisa Fox (Copley) who had a personal best in the 200-yard individual medley. Fox's time ranked fourth all-time in school history. Both junior Sarah Todd (Seneca, Pa./ Cranberry) and sophomore Mary Dye (Twinsburg Senior) recorded personal best time in the 50-yard freestyle; Gombash had a career-best in the 200 - individual medley which ranks second all-time in B-W history; and sophomore Emily Wood (Carrollton) had personal best times in the 50-yard freestyle and 500-yard freestyle

Freshman Sara Gombash broke OAC records in both the 100-yard and 200-yard butterfly and was the Conference champion in both events in 2003-2004.

of 3:37.15. The relay team members included freshman Luke Grilli (Londonderry, N.H./ Londonderry), junior Keith DeVore (Mansfield/ Ontario), senior Scott Roberts (Sandusky/ Perkins) and freshman D.J. Mosiniak (Toldeo/ St. Francis deSales). In addition, Mosiniak's 50-yard freestyle time of 21.49 seconds set a school-record; Roberts' individual time in the 200-individual medley was a personal-best and second all-time in school history; Luke Grilli's time in the 100-yard backstroke is third best in school history, freshman Alex de la Pena's (Elyria/ Catholic) time in the 500-yard freestyle is fifth best at B-W; and junior Nick Hanna's (Napoleon) 200-individual medley time was fourth best all-time.

On the second day, Gombash won the 100-yard butterfly and set a school and OAC-record with a 59.57 timing which qualified her for the national meet. Showalter won her second OAC title in as many days and her second straight in the 200-yard freestyle in 1:59.87. She now owns seven OAC titles in three years. In addition, Fox won her first individual OAC championship in the 100-yard backstroke with a personal best time of 1:02.56, which is the fourth fastest in school history. Stancliff rounded-out the B-W winners by finishing first in the three-meter diving event with 377.30 points. For the men, Roberts won his first career title in the 100-yard butterfly with a time of 52.74 and Chris Rochford won the men's three-meter diving title with a score of 273.60 points.

(Continued on next page)

Junior Kristen Showalter was the OAC Champion in both the 500-yard freestyle and the 200-yard freestyle. She now is a seven-time OAC Champion in just three years of collegiate competition.

(Continued from page 7)

On the final day, Gombash won both the 200-yard butterfly title and set another OAC record with a winning time of 2:15.33 in the finals. Her time of 2:15.31 in the preliminaries set the OAC mark.

"Both Chris and Julie had an outstanding meet, and Sara continues to just get better and better," said Gallagher. "It is nice that Julie is quali-

fied automatically, and I hope Sara gets the chance to participate."

The regular season is now complete. The women finished with an 8-6 overall and perfect 4-0 OAC dual meet record. The men finished 7-6 overall and 3-1 in the OAC.

"Our seniors began a legacy of swimming and diving excellence that will be realized long after they are graduated and successful in many other career endeavors," said Gallagher. "The leadership

each senior gave to this program is appreciated. It made this program better each year.

"We return a bevy of talented men and women in 2004-2005," continued Gallagher. "Each has outstanding work habits and each has learned how to lead by watching the senior group. The future of Baldwin-Wallace College swimming and diving has never been

Talented Freshmen Divers, Stancliff and Rochford, Named OAC Female and Male Diver of the Year; Stancliff to Nationals

BEREA, OHIO -- This past fall, four freshman divers joined the Baldwin-Wallace swimming and diving team. Each worked hard this season to improve individually, and in the process, helped each other and their teammates make school diving history.

The result: Two B-W divers were named the male and female 2004 Ohio Athletic Conference Diver of the Year. This is the first time this feat has been accomplished in B-W diving history. Julie Stancliff (Erie, Pa./McDowell) earned the honor for the women and Chris Rochford (Berea) earned the honor for the men this past weekend at the OAC Championships held at Case Western Reserve University. For her outstanding performance, Stancliff qualified for the Division III Swimming and Diving Championship in March.

More impressive for B-W was the strong supporting finish from the other two B-W freshmen divers. In addition to Stancliff and Rochford at the OAC championship, freshman Katie

Krzywicki (Brook Park/Midpark) finished second in the one-meter dive with 312.25 points and third in the three-meter with 336.50 points. The other freshman, Nicole Bucci (South Connellsville, Pa./Connellsville Area), finished seventh in both the one-meter and three-meter dive.

Stancliff won the one-meter dive with 377.30 points and three-meter diver with 397.75 points. Rochford won the one-meter with 322.35 points and the three-meter with a score of 273.60.

"The OAC championship was very exciting all around," said Stancliff. "The incredible team support we had through the weekend made it memorable and also a lot of fun."

"The honest reason I chose B-W was because of what it offered to me, both academically and in diving," said Stancliff. "This was one of the only schools that enabled me to enter the athletic training program, while simultaneously compete in diving. With the extensive schedules of both programs,

I was lucky to find a school that could work with my schedule."

Stancliff added, "Another thing I love about the swimming and diving team here in the emphasis on academics. Our coaches know that school must come first. However they also give us so much of their time to work with us."

"My parents have been unbelievably supportive in my diving career," said Stancliff. "In fact, my

Dad used to tape all my practices in high school. Now even being in a different state, they still come to my meets."

"Diving is a great sport, but many people are not aware that our school even has a diving team," said Stancliff. "One goal I have, in addition to improving my skills, is to build awareness of the mental and physical work the swimming and diving team puts into each season. It's an exciting sport and I love to see our program gain interest in the B-W community."

Stancliff, a former gymnast, was introduced to diving through a friend her sophomore year of high school.

"I wasn't too sure at first, but I figured I'd give it a try," said Stancliff. "My gymnastic skills helped me develop my diving skills."

Stancliff was named her high school's Diver of the Year, both her sophomore and junior year. As a junior and senior, she placed second at her district meet.

"I never won a diving championship in high school, but it made me work harder," said Stancliff. "Winning first place at OAC, especially in both events, means a lot to me."

Rochford, who also began diving his sophomore year of high school, had also never won a championship before last weekend.

"Earning that award was a great honor, both for myself and my team," said Rochford. "I felt as if all my work all season had paid off. I was also helping out my team overall."

"I was a baseball player my entire life," said Rochford. "The summer before my sophomore year, a friend's

Freshman Julie Stancliff became the second straight Yellow Jacket to win both the one-and-three meter dives and the OAC Women's Diver-of-the-Year award.

(Continued on next page)

brother asked me to try out for the Berea summer diving team. I've been diving ever since."

His junior and senior year, Rochford was a district qualifier and team captain. He was also named his team's Most Outstanding Diver as a senior.

This 2003-2004 season was reminiscent of the last time B-W won an OAC diving event in both the male and female categories. In 1993, Dave Humphrey '93 and Justine Waugh '93 placed first in the one-meter dive with 347.00 and 292.55 points in their respective category.

"Earlier this season, I was so close to breaking the B-W diving record set by Dave Humphrey, I was only twelve points away," said Rochford. "That is definitely an individual career goal I have. I also want to work to qualify for nationals in the future. Most of all, I want to help our team."

Rochford added, "I really have to thank my teammates for their overall support. Coming into my first season here with three other freshmen divers made a huge impact on my experience. We motivate each other to perform our

best, especially because we practice separately from the rest of the team at the Brook Park Recreation center."

Senior and veteran B-W backstroke and freestyle swimmer for the women's team, Marynda Yocum, wasn't surprised with the excellent OAC championship performance from the freshmen class.

"The divers were just incredible," said Yocum. "Their work ethic during the season really shone through this past weekend. The future looks good for the B-W divers."

Fellow senior Chris Clukey agreed. "Compared to my other three years here, this year's team really worked hard toward the same goal of performing well at the OAC," said Clukey, a butterfly and breaststroke competitor for the men's team. "The divers proved their dedication and perseverance by finishing first both in men's and women's. We are very proud of their accomplishments."

The impact the freshmen diving class had this season appears to be a glimpse of the bright future ahead for the B-W diving program.

Freshman Chris Rochford was the OAC Champion in both the one-meter and three-meter diving events and was named 2003-2004 "Male Diver of the Year."

Dye and Zurca Continue Swimming Success at Baldwin-Wallace College

By Adam Fabrizi, Sports Information Student Assistant

BEREA, OHIO -- Baldwin-Wallace College sophomore swimmers Mary Dye and Stephanie Zurca, both graduates of Twinsburg High School, have experienced success both being while teammates on the Twinsburg High School swim team and now at B-W.

Junior Stephanie Zurca is a member of the 200-yard medley relay team which set a school record in 2003-2004 with a time of 1:53.88.

Dye, a Twinsburg resident and Zurca, a native of Aurora, helped B-W complete an undefeated regular season against Ohio Athletic Conference opponents for only the second time ever. The first time it occurred in 200, B-W went on to win its first-ever OAC swimming and diving title. The women's team is currently 8-6 overall and 4-0 in the OAC following a dual meet last Saturday against Westminster (Pa.) College.

"Both Mary and Stephanie are key components in our lineup," said fifth-year Head Coach Mike Gallagher. "Both young women are talented academically and athletically. Their indi-

vidual contributions at the OAC Championship Meet will have a huge impact on whether we win or lose an OAC title.

"They both have been great leaders ever since their first year of competition," continued Gallagher. "I am looking forward to the great things they will continue do for the B-W campus community and the swimming team."

Prior to attending the liberal arts school located in Berea, Ohio, Dye swam for three years and earned three varsity letters at Twinsburg H.S. As a senior, she was an All-Western Reserve Conference second-team selection as a member of the 200-yard medley relay and 200-yard freestyle relay teams. Dye also received All-WRC honors as a junior on the 100-yard freestyle relay team.

Zurca competed on the swim team for four years and earned three varsity letters. She also played softball for four years and earned two varsity letters. While swimming, she was named to the

(Continued on next page)

2000-2001 second-team All-WRC team in the 200 free relay. During her senior year, she again received All-WRC second-team honors on the 200 free relay, 200 medley relay teams and individually in the 100-yard breaststroke. The 100 breaststroke is now her primary event at B-W. Zurca's best times include 27 seconds in the 50-yard free, 1:01.58 in the 100 free and 1:14.73 in the 100-yard breaststroke.

Yellow Jacket Head Coach Mike Gallagher took notice of these young ladies and was lucky enough to have them as members of his squad. The coach and the swimming program were two major components that factored into their decision to attend B-W.

"When I was looking at schools, B-W's swimming program really attracted me," said Dye, who competes in the sprint freestyle events. "And after meeting with Coach Gallagher, I knew that B-W was the place for me.

He really cares about you as a person and not so much as a swimmer," said Dye, an elementary education major who would one day like to teach second grade and coach. "Coach Gallagher knows about your swimming. Now, he is much more interested in our academics and whether we are contributing on-campus."

As a freshman, Dye excelled throughout the season and finished strong as she placed sixth at the OAC Championships in the 50-yard freestyle with a time of 26.52 seconds. Her best time of the season was a 26.31 seconds. She also recorded a 58.84 time in the 100-yard freestyle and a 2:12.08 in the 200-yard free. Both also occurred at the OAC Meet.

"Mary made excellent strides during her freshman year," said Gallagher. "It took her some time to get adjusted to collegiate athletics, but once she did, she continued to get better.

"Her improvement has continued this year," said Gallagher. "She has already bettered her time in the 200 free and we are looking for her to improve on her best times in the 50 and 100 free races at the OAC Championships."

Last year, Dye recorded the tenth-best time in the 100 free with a time of 57.65 seconds. In the 200 freestyle, Dye's best time is a 2:11.56 in a dual meet victory against OAC and Cleveland cross-town rival John Carroll University. JCU would be B-W's main competition at the OAC Championship Meet.

"Before the season, our main goal was to swim to the best of our abilities.

We ultimately wanted to win a conference title, but we knew that if we swam well and were successful, the honors and awards would come," said Dye, who was inducted into the Alpha Lambda Freshman Honor Society a year ago. To qualify for the Honor Society, a freshman must have a 3.5 grade point average or better in each of his or her first two semesters.

"We improved throughout the year and managed to have fun while doing so. Since we have concentrated on enjoying ourselves, there hadn't been as much pressure on us to succeed.

Zurca, like Dye, has made consistent improvement in her two years on the B-W campus.

"Stephanie is one of our top breaststroke swimmers," said Gallagher. "She is consistent, committed and self-motivated."

A year ago, Zurca recorded a season-best time of 1:14.09 in the 100-yard breaststroke, which was the second-fastest time on the team. She also participated in the 200 breaststroke with a top time of 2:47.34 coming at the OAC Meet.

She agrees that this past year's squad is much improved from the 2002-2003 team.

"We were a better and more balanced team than in 2002-2003," said Zurca, a middle childhood education major who would like to teach following graduation from B-W. "Individually, I trained all summer and did a lot of cross-training. It paid off and I'm happy with my times. I've been able to drop three seconds off my 100-yard breaststroke time."

"With the number of talented student-athletes our coaches went out and recruited last spring and summer, I was worried about losing my spot on the team. That motivated me to work that much harder over the summer," said Zurca. "We got a lot more competition at practice and it helped to make everyone that much better."

In 2003-2004, Zurca posted a time of 1:11.64 in the 100 breaststroke, which is also the second-best time in Yellow Jacket history in that event. Her

Junior Mary Dye will be a key freestyler for the Yellow Jacket swim team in 2004-2005.

top performance in the 200 breaststroke came on November 12, 2003 at the Cleveland State Meet, where she swam a 2:42.57. It was almost a full five seconds better than her best as a freshman. She has competed in the 100-yard butterfly as well.

"Stephanie has made great strides from a year ago," said Gallagher. "She solidifies us in the breaststroke and in medley relay events. She had a fabulous year."

While Dye and Zurca compete for the same school during the school year, it was not true last summer when there was some additional competition between the two. This time, however, they saw things from a different perspective.

Dye and Zurca coached youth swimming teams and were opposing coaches on occasion. It was an experience that they can use for the future.

"Mary and I coached against each other during the summer. It was a lot of fun and we were able to gain some experience teaching others what we have learned," said Zurca.

With hopes of teaching and coaching following graduation, the time spent instructing others is something they have found to be beneficial. But for now, their eyes are set on the ultimate prize--an OAC Championship.

"Right now, our efforts are set on winning the conference title at the OAC Meet. After that, I'd love a chance to qualify for nationals," said Zurca. "Yeah, we want to win the OAC title," said Dye. "That's all we can focus on right now."

2004-2005 Yellow Jacket Swimming Rosters

WOMEN:

Returning Lettermen: Juniors

Mary Dye
Event(s): Freestyle
Hometown: Twinsburg, Ohio
High School: Senior
Major: Early Childhood Education
Accomplishments: Mary earned All-OAC honors as a member of the 200-yard freestyle relay team (1:43.39) and the 400-yard freestyle relay team (3:45.56).

Bill Lampe
Event(s): Backstroke
Hometown: Fairview Park, Ohio
High School: Fairview
Major: Comp. Inf. Systems
Accomplishments: Bill posted season-best times of 1:02.81 in the 100-yard backstroke and 2:22.26 in the 200-yard backstroke in 2003-2004.

Emily Wood
Events: Freestyle
Hometown: Carrollton, Ohio
High School: Carrollton
Major: Business Administration
Accomplishments: Emily is fifth in B-W history in the 50-yard freestyle (25.79), fourth in the 200-yard freestyle (2:01.87), third in the 200-yard breaststroke (2:40.32) and has three other top-ten times in school history.

Stephanie Zurca
Events: Breaststroke
Hometown: Aurora, Ohio
High School: Twinsburg
Major: Physical Education
Accomplishments: Zurca holds the second fastest time in school history in the 100-yard breaststroke (1:11.64) and 5th in the 200-yard breaststroke events (2:41.40). Zurca is also a member of the school record setting 200-yard medley relay team (1:53.88).

Returning Lettermen: Sophomores

Sarah Anders
Event(s): Backstroke
Hometown: North Ridgeville
High School: North Ridgeville
Major: Education
Accomplishments: Sarah is tenth all-time in school history in the 100-yard backstroke (1:05.87) and ninth in the 200-yard backstroke (2:23.97).

Nicole Bucci
Event(s): Diving
Hometown: So. Connellsville, Pa.
High School: Connellsville Area
Major: Undecided
Accomplishments: Nicole had season best scores in the 1-meter (223.70) diving event and the 3-meter diving event (226.25) as a freshman in 2003-2004.

Alex de la Pena
Event(s): IM/Freestyle
Hometown: Elyria, Ohio
High School: Catholic
Major: Business Administration
Accomplishments: Alex holds the school record in the 400-yard individual medley (4:25.12), is fifth all-time in the 500-yard freestyle (5:02.24), third in the 200-yard backstroke (2:02.88), and fifth in the 200-yard individual medley (2:05.44).

Sara Gombash
Event(s): Butterfly
Hometown: Perrysburg, Ohio
High School: Notre Dame
Major: Neuroscience
Accomplishments: Sara qualified provisionally for the NCAA Division III National Swimming and Diving Championships in the 100-yard butterfly in 2003-2004. Sara holds B-W school-records in the 100-yard butterfly (59.57 seconds) and the 200-yard fly (2:13.84). In addition, she was a member of the school-record-setting 200-yard medley relay team last year.

Tiffany Gribble

Event(s): Breaststroke
Hometown: Galion, Ohio
High School: Galion
Major: Spec. Edu./Early Childhood
Accomplishments: Tiffany had season-best times in the 100-yard backstroke (1:05.74), 200-yard backstroke (2:22.12) and the 100-yard breaststroke (1:14.49) in 2003-2004.

Luke Grilli

Event(s): Freestyle/Backstroke
Hometown: Londonderry, N.H.
High School: Londonderry
Major: Comm./Broadcasting
Accomplishments: Luke was a member of the OAC Champion and school record setting 400 medley relay team (3:37.15) He was also a member of the school record setting 200-yard medley (1:39.14) and 400-yard freestyle relay teams (3:16.92).

Mark Harris

Event(s): Freestyle
Hometown: Manasquan, N.J.
High School: Wall Township
Major: Sports Management
Accomplishments: Mark had season and life time best times in the 50-yard freestyle (24.48), 100-yard freestyle (56.12), 200-yard freestyle (2:14.88) and the 500-yard freestyle (6:20.88) in 2003-2004.

Katie Klaus

Event(s): Butterfly
Hometown: Huron, Ohio
High School: Senior
Major: Education
Accomplishments: Katie posted season and lifetime best times in the 100-yard butterfly (1:06.65) and the 200-yard butterfly (2:34.72) in 2003-2004.

Corey Kregenow

Event(s): Butterfly
Hometown: Parma, Ohio
High School: Valley Forge
Major: History
Accomplishments: Last season, Corey posted season-best times of 1:07.99 in the 100-yard butterfly and 2:41.17 in the 200-yard butterfly.

Katie Kryzwicki

Event(s): Diving
Hometown: Brookpark, Ohio
High School: Midpark
Major: Business Administration
Accomplishments: Katie finished second over-all on the team after the 2003-2004 season with 312.25 points in the one-meter diving event and 336.50 points in the three-meter diving event.

Joe Meyer

Event(s): Freestyle
Hometown: Strongsville, Ohio
High School: Strongsville
Major: Undecided
Accomplishments: Joe had season-bests of 24.03 seconds in the 50-yard freestyle, 53.71 seconds in the 100 free, 2:11.03 in the 200 free, 6:09.77 in the 500 free and 13:03.16 in the 1000 free.

Kellie Rosenbaum

Event(s): Freestyle
Hometown: Madison, Ohio
High School: Perry
Major: English
Accomplishments: Kellie posted lifetime best times in the 50-yard freestyle (29.32), 100-yard freestyle (1:05.01), 500-yard freestyle (6:06.69) and the 1,000-yard freestyle (12:36.67).

Julie Stancliff
Event(s): Diving
Hometown: Erie, Pa.
High School: McDowell
Major: Sport Med./Athletic Training
Accomplishments: Julie was a 2003-2004 All-American as a freshman. She finished 16th at the NCAA Division III National Meet. Julie was also the OAC Champion in the one-meter and three-meter diving events and was the OAC "Diver of the Year" last season.

B-W's Julie Stancliff Earned All-American Honors at the NCAA Championships

B E R E A , OHIO -- Baldwin-Wallace College freshman diver Julie Stancliff (Erie, Pa./McDowell) earned All-America Honors in the one-meter diving event by placing 16th

with 292.75 points and 22nd in the three-meter diving event with 266.30 points at the 2004 NCAA Division III Swimming and Diving Championship Meet at Principia (Ill.) College.

Stancliff, the Ohio Athletic Conference champion in the one and three-meter events and the 2004 OAC Female Diver of the Year, did very well competing in her first national meet. "Julie had a great first year of

college", said fifth year head swimming and diving coach Mike Gallagher. "Making it the NCAA Championships in any sport is very admirable. I know that she will continue to improve throughout her diving career. Bob Fortune, the team, and myself are very proud of her accomplishments."

Baldwin-Wallace College;

A Quality Education with a Personal Touch

Applying to Baldwin-Wallace

Admission to B-W is offered on a selective basis. Each application is reviewed independently on its own merits, with careful consideration of course work, class rank, grade point averages, recommendations, test results (SAT or ACT) and extracurricular activities. To apply for admission, we encourage you to complete the application between **September** and **March** of your senior year.

A good high school preparation for B-W includes four years of English, and at least three years of math, social science and natural science, two years of foreign language, and three years of additional academic electives.

Candidates are considered as soon as all application requirements have been met, with notification usually within four to six weeks after their credentials are received.

An Exceptional Value

B-W is committed to making college affordable. In fact, your chances of receiving some form of financial assistance at B-W are excellent. Nearly two-thirds of our current students receive B-W need-based aid; and more than 90 percent receive assistance in some form.

Your first step in the financial aid process is to complete the F.A.F.S.A. (Free Application for Federal Student Aid). This should be completed no later than March 1st. After you have been admitted to B-W and the F.A.F.S.A. report has been received and processed, you will receive your award. Typically this will consist of gift assistance (need-based grant and scholarship), low interest federal loans and work study employment.

Facts About the College

Name: Baldwin-Wallace College

Address: 275 Eastland Road

Berea, Ohio 44017-2088

Phone: (440) 826-2222 or 1-877-BW-APPLY

Founded: 1845

Full-time Enrollment: 3,100

Student/Faculty Ratio: 15:1

e-mail: SID Kevin Ruple at kruple@bw.edu

The Baldwin-Wallace College swimming & diving student-athlete is one of the best publicized in all of small college and NCAA Division III athletics. Several factors help this to happen.

Its location, its national and conference affiliation and philosophy of athletics, its administration and coaches and its support of the student-athlete all play large roles in telling others about B-W and the successes of its student-athletes.

Baldwin-Wallace College is a small, private, liberal arts college located 12 miles southwest of Cleveland, Ohio. While being in the small and progressive local community of Berea, B-W student-athletes benefit from being close to a major urban area such as Greater Cleveland/Akron. B-W athletics receive support both in Cleveland and Akron and in the Berea community itself.

Being a member of the prestigious Ohio Athletic Conference and playing NCAA Division III athletics also is an advantage. Coaches who are teachers first forge a solid commitment to the Division III philosophy of the student-athlete. Baldwin-Wallace also is proud of its athletic heritage and the fact that it has produced the third most small college CoSIDA-GTE College Division Academic All-Americans since 1984. In 1997, B-W had three Academic All-Americans, including men's basketball player Kevin Braaten (Strongsville, Ohio) '97. The year prior, men's basketball player Brian Higley '96 (Stow, Ohio) was tabbed as a first-team Academic All-American. Overall, the Yellow Jacket men's program has produced four Academic All-American student-athletes since head coach Steve Bankson took over the program.

Support in terms of facilities, equipment and transportation and in staff provides the Baldwin-Wallace student-athlete with a luxury not enjoyed at many other schools.

One part of that support is in the area of sports information. A diligent staff of B-W sport information student assistants and sport management majors work with the director to publicize B-W and its coaches and student-athletes in 20 NCAA Division III sports.

The students learn firsthand about publicizing a program by updating the internet website, writing hometown press releases and doing feature stories, doing game and cumulative statistics as well as statistical analysis, game and

special event programs, recruiting brochures and media guides, contacting local, state and national media sources prior to and after each game and promoting and administering special events during athletic contests.

Each Yellow Jacket swimming & diving student-athlete receives a preseason, mid-season and post-season hometown press release which is sent to the individual student-athlete's hometown newspaper. When the student-athletes fill out a preseason questionnaire, each is asked to list his or her hometown newspaper.

After each swimming & diving meet, the internet website is updated, a FAX is sent to B-W's base of local, state and national media that regularly cover or have requested B-W coverage. In addition, hometown facsimile messages about individual performances are also sent either the night of the contest or the next day.

The day following an athletic event, statistics are updated and made available to all requesting the information.

Campus radio station WBWC, 88.3 FM, broadcasts all home and away football and basketball games as well as covering all other Yellow Jacket sporting events, press conferences or announcements on a selected basis. All Yellow Jacket men's and women's basketball games are also broadcast over the internet website at www.bw.edu/athletics. A number of former B-W student broadcasters have gone to successful careers in the Greater Cleveland area, both in radio and in television. In addition, the four local commercial television stations and numerous radio stations do game coverage and feature interviews on a selected basis.

The Baldwin-Wallace College student-athlete receives excellent local small college coverage both in terms of game coverage and hometown coverage by *The Plain Dealer* (Cleveland's major daily with a circulation of more than 500,000 homes), the *Chronicle-Telegram* (based in Elyria, Ohio), the *Morning Journal* (based in Lorain, Ohio), the *Beacon-Journal* (based in Akron, Ohio), the *Medina County Gazette* (based in Medina, Ohio), the *Sun Newspapers* (Cleveland's largest weekly newspaper serving the Greater Cleveland area) and a number of other daily and weekly publications in Northeast Ohio.

Overall, the sports information office at Baldwin-Wallace College offers the student-athlete the opportunity to receive maximum exposure at the small college level. In addition to giving the Yellow Jacket student-athlete the most comprehensive coverage available at the NCAA Division III level, the B-W sports information student assistant garners solid skills in writing, communications, marketing, promotion and publication layout and design. Overall, 14 former SID student assistants have gone on to sports information careers at either the NCAA Division I and I-AA level such as the University of Texas, Arizona State University, the University of Nebraska, the University of Arkansas, the University of Florida, Monmouth (N.J.), Kent State University, Eastern Michigan University and others. Others are involved with professional teams such as the Kansas City Chiefs of the NFL and the Cleveland Force of the MISL.
