Head Coach Jim Meyer

Jim Meyer will be in his third season as head coach of the women's golf at Baldwin Wallace College. Meyer also serves as an assistant women's basketball coach.

In two years as head coach, Meyer has had four All-Ohio Athletic Conference players.

With all the talent that Meyer has developed, the goals are set high for the Yellow Jackets this year.

"Our goal is to win the OAC Championship and qualify for the 2004 NCAA Division III National Championship Tournament," said Meyer. "We have a dedicated, strong core- group returning, and we have great young tal-

ent that will definitely contribute to the golf program at Baldwin-Wallace. I look forward to continuing a strong tradition in women's golf and women's basketball at B-W."

In addition to women's golf head coach, Meyer is also an assistant for the B-W women's basketball team.

"Jim Meyer brings a wealth of knowledge and experience in all aspects of intercollegiate athletics to Baldwin-Wallace College," said Harrer, who also serves as B-W's Women's Athletics Director. "At each place that Jim has coached, worked and or taught he has been successful in helping that program achieve success. We are confident that he will continue an already strong tradition of a success in both women's golf and basketball.

Meyer is a 1991 graduate of Cleveland State University. He comes to B-

W after serving as the head women's basketball coach at Southampton (N.Y.) College. Prior to Southampton, Meyer was an assistant coach at Long Island (N.Y.) University- Brooklyn (1997-2000), Gannon (Pa.) University (1996-1997) and Olmsted Falls High School (1993-1996).

Meyer resides in Berea with his wife Cathy and their twin boys, Ethan and Xavier. The Meyer family also welcomed the birth of their daughter, Sydney, in August of 2004.

To contact women's golf coach Jim Meyer please contact him directly at (440) 826-3433. Coach Meyer also can be reached in the athletic department at (440) 826-2184 or by facsimile machine at (440) 826-6980. Coach Meyer can be reached via e-mail at jimeyer@bw.edu.

The Baldwin-Wallace College Women's Golf Team Places Third at the 2004 Ohio Athletic Conference Championships

The Baldwin-Wallace College women's golf team placed third of eight teams at the 2004 Ohio Athletic Conference Golf Championships (April 29-30) hosted by Capital University at the Little Turtle Country Club in Westerville, Ohio.

The Yellow Jackets carded a two-day team total of 783 strokes on the par-72, 5,900-yard Little Turtle Country Club layout placing third behind OAC rivals Otterbein College with 761 strokes and Wilmington College with 777 strokes.

Sophomore Sarah Hacker's two-day total of 188 (97-91) placed her fifth overall, earning her All-OAC honors.

Leading the way for the Yellow Jackets, was Freshman Sarah Hacker (New Albany, Ind./ Our Lady of Providence) with a two-day total of 188 strokes (97-91)

The 2003-2004 Yellow Jackets finished third at the OAC Tournament. Team members include (Front Row: From left to right): Sara Hacker, Emily Scheetz and Lauren Buckner. (Back Row): Kylee Ehinger and Tara Wetherelt.

placing her fifth over all. Following Hacker, was freshman Tara Wetherelt (Stockton, Calif./ Franklin) with 189 strokes (95-94) placing her sixth over all. For their efforts, both Hacker and Wetherelt earned All-OAC honors (Top 10 finishes).

In addition to Hacker and Wetherelt, sophomores Lauren Buckner

(Westlake) had 202 (96-106) strokes to place 15th and Emily Scheetz (Massillon Perry) had 207 strokes (102-105) and placed 19th overall. Freshman Kylee Ehinger (Roanoke, Ind./ Bishop Luers) rounded out the Yellow Jacket squad with 212 strokes (99-113) and tied for 22nd.

The Baldwin-Wallace College Women's Golf Team Will Begin its Fall Season at the Anderson (Ind.) Invitational on Sept. 11-12

BEREA, OHIO - The Baldwin-Wallace College women's golf team will play in its first tournament of the 2004 fall season at the Anderson University (Ind.) Invitational on September 11 and 12. The first round will be played at the Killbuck Golf Course (Anderson, Ind.) and the second round will be played at the Grandview Golf Course (Anderson, Ind.).

This year, the Yellow Jackets will be led by juniors All-Ohio Athletic Conference players Lauren Buckner (Westlake) and Emily Scheetz (Canton/Perry). Buckner earned All-OAC accolades as a freshman in 2003 and Scheetz is a two-time All-OAC honoree from 2003 and last spring. Last spring, Scheetz posted a stroke average of 94.70 and placed sixth at the OAC Championships. Unfortunately, Scheetz, who averaged 96.5 strokes per 18 holes last spring, will not be playing this fall as she is studying abroad in Australia.

Buckner enters the fall as the top player after averaging 94.7 strokes per 18 holes. Despite her junior class status, she will have competition for the top spot on the team.

"We have some solid players returning and both our freshman and an upperclass player will give us a solid

lineup," said third-year Head Coach Jim Meyer. "We will miss having Emily studying abroad this fall but hopefully our other players will step up to the challenge and respond well."

In addition to Scheetz and Buckner, sophomore standouts Kelly Gallaway (Ashland Senior) and All-OAC golfer Sarah Hacker (New Albany, Ind./Our Lady of Providence) each have the ability to challenge Buckner for the number one position this fall. Hacker, who returns with the top average from last spring at 94.2 wavs fifth at the 2004 OAC Championships and also was the medalist at the B-W Invitational. Gallaway averaged 97.0 strokes per 18 holes.

Joining the Yellow Jacket roster this spring is freshman Molly Scheetz (Canton/Perry), younger sister of junior Emily, and senior Mary Farrell (Middleburg Heights/Parma Heights Holy Name). Farrell joins the golf team after earning three varsity letters as a member of the softball program.

"Both Molly and Mary are good golfers," said Meyer. "Molly had an outstanding high school career, and has the talent and ability to post some low scores and to challenge for the top spot in our lineup. Mary is a good all-around student and athlete. She is playing her

first season of golf and has impressed me so far in the preseason. I look forward to seeing both of them in tournament play."

Baldwin-Wallace College to Host First-Ever Ohio Cup Tournament This Spring

BEREA, OHIO -- The Baldwin-Wallace College women's golf program will host the first-ever Ohio Cup Golf Championships this spring at the Pine Hills Golf Course in Hinckley, Ohio.

The tournament will be similar to the Professional Golfers Association "Ryder Cup" competition. A maximum of 12 schools will be allowed to compete and each school represented will consist of six players.

Two players will play nine holes of alternating stroke play followed by nine holes of match play. Two players will play nine holes of best ball followed by nine holes of match play and two players will play nine holes of stroke play followed by nine holes of match play.

Each match won by an individual or two-player team, will result in a determined number of points depending upon place of finish. The first school to accumulate a team-total 48 points, will win an award which is engraved and will be kept by the winning team until the following year.

"We are delighted to host the first-ever Ohio Cup at Pine Hills," said Yellow Jacket head Coach Jim Meyer. "It should be an outstanding event."

The Pine Hills Golf Club is a par 73 course and will test each player's ability negotiating all 5,952 yards. The course has been selected as one of "Golf Digest's Places to Play."

The Yellow Jacket Women's Golf Program Has Had National Success at the Division III Level

The Baldwin-Wallace College women's golf program begins its sixth season of existence in 2003-2004 and already is among the best programs in NCAA Division III.

In the last four years, the Yellow Jacket women have captured 11 invitational tournament championship titles, including two Ohio Athletic Conference crowns and placed in the Top 10 at the 2000 and 2001 NCAA Division III National Championship tournaments.

Under the direction of third-year Head Coach Jim Meyer, the 2004-2005 edition of the B-W program will return four key players. They are juniors Lauren Buckner and Emily Scheetz and sophomores Kelly Gallaway and Sarah Hacker. The squad is looking to improve individually and help B-W return to the national tourney.

The key to the 2004-2005 season will be the continued development of three sophomores who have potential to be great B-W golfers.

"We have two outstanding

sophomores and it will be key for them to step up and continue their incredible play if we are to challenge for another Ohio Athletic Conference title," said Meyer.

"Our goal is to win the OAC Championship and qualify for the 2004 NCAA Division III National Championship Tournament," said Meyer. "We have a dedicated, strong core-group returning, and we have great young talent that will definitely contribute to the golf program at Baldwin-Wallace."

Along with playing tough Division III golf programs, this year's schedule will include top challengers from both the NCAA Division I and II levels.

"We believe in order to be a better golf team, we must step up to the mental challenge and learn to play well against tough competition from all levels," said Meyer. "That is why we travel to premier tournaments in Florida, Michigan, South Carolina and Indiana.

Returning All-Ohio Athletic Conference player Lauren Buckner (Westlake) will look to be a team leader in 2004-2005.

Yellow Jacket Freshmen Women Golfers Finish the 2003 Fall Season Second in Division III in Impact According to GolfStat

BEREA, OHIO -- The four Baldwin-Wallace College freshmen women's golfers have not only made an impact in Berea and on the Ohio Athletic Conference, according to the most up-to-date Golfstat.com rankings, the Yellow Jacket freshmen are second in Division III.

In the most recent poll and following the fall season, the B-W women are ranked second in Division III behind Hardin-Simmons (Texas) University. Hardin-Simmons had four first-year players in its top five and accumulated 640.246 "strength" points. Strength considers stroke score and average, toughness of schedule and the courses that are played.

B-W ranked second and also had four first-year players, Tara Wetherelt (Stockton, California/ Franklin High School), Sarah Hacker (New Albany, Ind./ Our Lady of Providence H.S.),

Kylee Ehinger (Roanoke, Ind./ Bishop Luers H.S.) and Kelly Gallaway (Ashland Senior), among its top five. The Yellow Jacket freshmen accumulated 494.867 strength points and had a combined stroke average of 89.64. Rounding out the top five schools in Division III are Trinity University in Texas (two freshmen in the top five players/ 395.072 strength points), the University of Wisconsin - Steven's Point (three in the top five/ 375.359 pts.) and Albion College of Michigan (three of five/ 372.074 pts.).

For B-W, Wetherelt, who was a tournament medalist twice this fall, led the team in stroke average and narrowly missed setting a school record for stroke average in a season with a 85.1 stroke average per 18 holes in seven events and 10 total rounds of 18 holes. Hacker was second bat 89.0, Ehinger third at 92.4 and Gallaway fourth at

93.88. In addition, Ehinger also earned a medalist award this fall.

"I am extremely proud of how our freshmen did this fall in their first collegiate season," said second-year women's golf Head Coach Jim Meyer. "Each played extremely well and gained valuable experience that we hope will pay more dividends this spring. These four young women will give us a solid base for the future of this program.

"Overall, I thought all of our players had a good fall, including our sophomores, juniors and seniors," said Meyer. "We must now begin to prepare for the spring season. Our goals remain the same. We would like to both win the 2004 OAC title and earn a berth to the NCAA Division III National Tournament."

The Ohio Athletic Conference; The Third Oldest Conference in the Nation

Entering its 102nd year, the Ohio Athletic Conference will look to continue its prominence during the 2004-05 year. In 2003-2004, the OAC was once again represented well at the national level, both academically and athletically.

During the 2003-04 season the OAC advanced 11 teams to the NCAA Division III "Sweet 16", including Wilmington College winning the National Title in women's basketball. Mount Union College finished runner-up in football and the John Carroll University men's basketball squad finished third. Three teams finished in the "Elite Eight" at the NCAA's: Ohio Northern University in volleyball, Muskingum College in softball and Wilmington in indoor track and field; and five teams ended their seasons in the "Sweet 16": Baldwin-Wallace College in football, Wilmington in women's soccer, JCU in men's soccer and wrestling and Otterbein College in men's golf. Individually, Mount Union's Eddis Singleton and Wilmington's Emily Herring both became national champions in their respective events, the 50-yard freestyle in swimming and the high jump in track and field.

Individually, the Conference was represented by 56 All-Americans, 32 men and 24 women, and 13 Academic All-Americans to go along with a bevy of regional and national honors for our student-athletes and coaches. The Conference also had an athlete earn CoSIDA Academic All-America Team Member-of-the-Year honors in her respective sport.

The OAC, the third oldest conference in college athletics, is predated only by the Michigan Intercollegiate Athletic Association (1888) and the Big Ten (1895). The Conference is older than the World Series and even the NCAA itself and has survived two world wars, the Great Depression, the Korean War and the Vietnam Conflict. From a modest beginning of six charter members in 1902, the OAC grew to as many as 24 members in the mid-1920s.

Through the years a total of 30 colleges and universities at one time or another have been members of the OAC. Currently the Conference consists of 10 members, including Baldwin-Wallace College, Capital University, Heidelberg College, John Carroll University, Marietta College, Mount Union College, Muskingum College, Ohio Northern

University, Otterbein College and Wilmington College. Wilmington became the 31st OAC member school, on July 1, 2000.

In the OAC's first year of existence, 1902, the first Conference champion was crowned. Case Tech won the football title with a 5-0-0 record. Outdoor track was added a year later and a third sport, cross country, became a Conference sport in 1914. More sports were steadily added to the OAC's repertoire throughout the years, culminating in the addition of women's sports in 1984. The Conference currently sponsors championships in 21 sports, 11 men's and 10 women's.

The enrollments at the 10 OAC institutions range from 1,200 to 4,500. All of the schools were founded in the 19th century and have long and outstanding academic reputations. While maintaining these high academic standards, Ohio Athletic Conference athletic teams and athletes have consistently enjoyed a great deal of success on a regional and national level. The athletic competition is viewed not as an end in itself, but as an extension of the educational programs.

The Baldwin-Wallace Women Annually Compete for a Women's Golf Title in the Ohio Athletic Conference

Baldwin-Wallace College belongs to the 10-team Ohio Athletic Conference for men and women. Long considered one of the finest small college conferences in the nation, the OAC offers competition in 21 NCAA Division III sports, including golf for men and women.

Since its inception as an OAC sport in 2000, the Baldwin-Wallace College women have been one of the OAC's top programs. The Yellow Jackets won the OAC title in both 2000 and 2001, placed second in 2002 and third in 2003.

In 2000, the Yellow Jacket women won the OAC title and placed seventh at the inaugural NCAA Division III Women's Golf National Championship Tournament. In 2001, B-W repeated as OAC champions and finished 10th at

The Facilities at Baldwin-Wallace College Are Among

The Baldwin-Wallace College student is afforded the opportunity to learn, exercise, practice and play in some of the finest facilities in small college athletics. In addition, as a student at B-W, each has an opportunity to use a group of facilities that are unparalleled in Division III athletics.

The Recreation Center with the Ursprung Gymnasium, Harrison Dillard Track and Natatorium, The George Finnie Stadium, the B-W Baseball Field, the "Pop" Collins Tennis Complex and other outdoor recreation and athletic areas at Baldwin-Wallace make the Yellow Jackets physical plant second to none among small colleges.

The Baldwin-Wallace College Recreation Center, dedicated on October 18, 1986, is a facility that benefits all B-W students, faculty, staff and alumni and is considered one of the top recreation facilities in the country.

The 150,000 square foot Rec Center serves as home for the health and physical education departments, all winter intercollegiate and intramural sports, as well as playing host for a number of amateur sporting events.

The Rec Center, which includes the Rudolph S. Ursprung Gymnasium, serves as the home of Yellow Jackets basketball,

volleyball and wrestling teams. Ursprung Gymnasium, which has housed B-W basketball since 1949, received a complete renovation in 1986. In addition to B-W playing in the Ursprung Gym, the Ohio High School Athletic Association has long

courts that can be used individually or in tandem for volleyball, basketball, tennis and other activities. On many occasions, the B-W basketball team has been playing a game while a wrestling match or an intramural basketball game was taking place in

The Ursprung Gymnasium was renovated in 1986 and seats more than 2,800 fans for basketball, volleyball and wrestling. The basketball stands are situated away from the floor with an excellent view from any angle.

used the B-W facility for its sectional and district tournaments for boys.

The fieldhouse consists of a 200-meter, six-lane track that is named for 1949 B-W graduate and four-time Olympic gold medalist Harrison Dillard. The track, with its Mondo surface, is both fast and comfortable for the walker, jogger or serious runner. Pits for the field events are also incorporated. The track surrounds three multi-purpose

The Harrison Dillard Track, along with the multi-purpose courts, have been home for the B-W indoor track teams, the John Summa Invitational Wrestling Tournament, the Ohio Sports Festival (basketball and wrestling venues) and many local high school track meets.

Also in the Rec Center is the B-W Natatorium, home to the Yellow Jacket

The Baldwin-Wallace College Natatorium is home to Yellow Jacket swimming and diving. The pool is also available to all B-W students and receives use by the community and elderly.

the Best for Any Small College in the Country

In 1998 The George Finnie Stadium was filled with more than 10,000 fans to watch the Yellow Jackets play football. It is known as the "Magic Carpet." It has also served as the site for five Division III national track meets, the Pan Am Games qualifying meet, the Ohio Games and the A.A.U. Junior Olympic championships. It seats 8,100 fans comfortably.

swimming and diving teams. The facility includes a 25-yard, six-lane pool with a one-meter diving board. The movable pool bottom has adaptive physical therapy applications and can be used by the disabled.

As part of the renovation of Ursprung, chairback seating and a new media center were constructed while training and physical therapy, laundry and eight locker rooms were added. Other features include a room for news media as well as exhibit and storage areas for the B-W Athletic Archives. The Archives give students, alumni, parents, friends and visitors to Baldwin-Wallace a glimpse of the rich tradition and heritage of Yellow Jacket teams and athletic greats.

The Finnie Stadium (pictured above) is one of the nations best small college stadiums for football and track and field. The Yellow Jacket men's and women's soccer teams also play at Finnie.

B-W has already hosted three NCAA Division III national championship track meets, numerous NCAA and Ohio High School Athletic Association football play-off games as well as being the home field to both Berea High School and Middleburg Heights Midpark High School. The Ohio Sports Festival/Ohio State Games also uses Finnie as both a regional and state championship site.

The B-W Baseball Field is located on the campus within walking distance of the

student dormitories. The facility has a manicured playing surface and seating for approximately 200 fans. The B-W Baseball Field has been the host site for four OAC Baseball Tournaments and is home to the nationally-ranked Yellow Jacket baseball squad.

The "Pop" Collins Tennis complex is named in honor of former B-W tennis coach

and teacher Arthur Worth Collins, the father of nationally renowned sportswriter and television tennis analyst Arthur "Bud" Collins '51. The facility is on campus and includes six courts which are lighted for night play.

In addition, the Yellow Jacket softball team plays at the Cuyahoga County Fairgrounds Field. Last spring was the first season for the Yellow Jackets at their new field.

Does such a strong group of facilities benefit the Yellow Jacket women's basketball program? Definitely! Practice time is available in the Ursprung Gym or the fieldhouse. That means the men and women can practice at the same time without conflict. Players have a wide variety of options for preseason and post season weight and conditioning programs.

"The entire Rec Center is a plus to our program," says head coach Cheri Harrer. "The playing, practice and dress facilities are among the finest in Division III. Having a number of courts in the fieldhouse gives us the opportunity to work with a greater number of players in our varsity and junior varsity programs.

"It is one of the finest training centers of any small college in the nation," says Harrer. "We feel the Rec Center has answered the needs of the B-W community."

The student-athlete is afforded the best in equipment to use in B-W's weight and training rooms. B-W also benefits from its affiliation with the Cleveland Clinic Sports Medicine Division. A clinic doctor is at virtually every athletic event.

Baldwin-Wallace College;

A Quality Education With A Personal Touch"

Applying to Baldwin-Wallace

Admission to B-W is offered on a selective basis. Each application is reviewed independently on its own merits, with careful consideration of course work, class rank, grade point averages, recommendations, test results (SAT or ACT) and extracurricular activities. To apply for admission, we encourage you to complete the application between **September** and **March** of your senior year.

A good high school preparation for B-W includes four years of English, and at least three years of math, social science and natural science, two years of foreign language, and three years of additional academic electives.

Candidates are considered as soon as all application requirements have been met, with notification usually within four to six weeks after their credentials are received.

An Exceptional Value

B-W is committed to making college affordable. In fact, your chances of receiving some form of financial assistance at B-W are excellent. Nearly two-thirds of our current students receive B-W need-based aid; and more than 90 percent receive assistance in some form.

Your first step in the financial aid process is to complete the F.A.F.S.A. (Free Application for Federal Student Aid). This should be completed no later than March 1st. After you have been admitted to B-W and the F.A.F.S.A. report has been received and processed, you will receive your award. Typically this will consist of gift assistance (need-based grant and scholarship), low interest federal loans and work study employment.

The Baldwin-Wallace College Women's Golf student-athlete is one of the best publicized in all of small college and NCAA Division III athletics. Several factors help this to happen.

Its location, its national and conference affiliation and philosophy of athletics, its administration and coaches and its support of the student-athlete all play large roles in telling others about B-W and the successes of its student-athletes.

Baldwin-Wallace College is a small, private, liberal arts college located 12 miles southwest of Cleveland, Ohio. While being in the small and progres-sive local community of Berea,

B-W student-athletes benefit from being close to a major urban area such as Greater Cleveland/Akron. B-W athletics receive support both in Cleveland and Akron and in the Berea community itself.

Being a member of the prestigious Ohio Athletic Conference and playing NCAA Division III athletics also is an advantage. Coaches who are teachers first forge a solid commitment to the Division III philosophy of the student-athlete. Baldwin-Wallace also is proud of its athletic heritage and the fact that it has produced the third most small college CoSIDA-GTE College Division Academic All-Americans since 1984. In 1997, B-W had three Academic All-Americans, including men's basketball player Kevin Braaten (Strongsville, Ohio) '97. The year prior, men's basketball player Brian Higley '96 (Stow, Ohio) was tabbed as a first-team Academic All-American. Overall, the Yellow Jacket men's program has produced four Academic All-American student-athletes since head coach Steve Bankson took over the program.

Support in terms of facilities, equipment and transportation and in staff provides the Baldwin-Wallace student-athlete with a luxury not enjoyed at many other schools.

One part of that support is in the area of sports information. A diligent staff of B-W sport information student assistants and sport management majors work with the director to publicize B-W and its coaches and student-athletes in 20 NCAA Division III sports.

The students learn first-hand about publicizing a program by updating the internet website, writing hometown press releases and doing feature stories, doing game and

cumulative statistics as well as statistical analysis, game and special event programs, recruiting brochures and media guides, contacting local, state and national media sources prior to and after each game and promoting and administering special events during athletic contests.

Each Yellow Jacket Women's Golf student-athlete receives a preseason, mid-season and postseason hometown press release which is sent to the individual student-athlete hometown newspaper. When the student-athletes fill out a preseason questionnaire, each is asked to list his or her hometown newspaper.

After each women's golf tournament round, the internet website is updated, a FAX is sent to B-W's base of local, state and national media that regularly cover or have requested B-W coverage. In addition, hometown facsimile messages about individual performances are also sent either the night of the contest or the next day.

The day following an athletic event, statistics are updated and made available to all requesting the information.

Campus radio station WBWC, 88.3 FM, broadcasts all home and away football and basketball games as well as covering all other Yellow Jacket sporting events, press conferences or announcements on a selected basis. ***All Yellow Jacket men's and women's basketball games are also broadcast over the internet website at www.bw.edu/athletics.*** A number of former B-W student broadcasters have gone to successful careers in the Greater Cleveland area, both in radio and in television. In addition, the four local commercial television stations and numerous radio stations do game coverage and feature interviews on a selected basis.

The Baldwin-Wallace College student-athlete receives excellent local small college coverage both in terms of game coverage and hometown coverage by *The Plain Dealer* (Cleveland's major daily with a circulation of more than 500,000 homes), the *Chronicle-Telegram* (based in Elyria, Ohio), the *Morning Journal* (based in Lorain, Ohio), the *Beacon-Journal* (based in Akron, Ohio), the *Medina County Gazette* (based in Medina, Ohio), the *Sun News-papers* (Cleveland's largest weekly newspaper serving the Greater Cleveland area) and a number of other daily and weekly publications in Northeast Ohio.

Overall, the sports information office at Baldwin-Wallace College offers the student-athlete the opportunity to receive maximum exposure at the small college level. In addition to giving the Yellow Jacket student-athlete the most comprehensive coverage available at the NCAA Division III level, the B-W sports information student assistant garners solid skills in writing, communications, marketing, promotion and publication layout and design. Overall, 14 former SID student assistants have gone on to sports information careers at either the NCAA Division I and I-AA level such as the University of Texas, Arizona State University, the University of Nebraska, the University of Arkansas, the University of Florida, Monmouth (N.J.), Kent State University, Eastern Michigan University and others. Others are involved with professional teams such as the Kansas City Chiefs of the NFL and the Cleveland Force of the MISL.
