## The 2004 Yellow Jacket Web-Based Guide

The 2004 Baldwin-Wallace College Yellow Jacket Web-Based women's soccer guide is produced to serve the family, friends, fans and faculty who support our program. The information contained in this guide is factual as of August 24, 2004. For more information, please contact B-W Sports Information Director Kevin Ruple via telephone at (440) 826-2327 or via e-mail at [kruple@bw.edu](mailto:kruple@bw.edu).

# Head Coach Reid Ayers

Reid Ayers is coming off a rebuilding year in his second season as the head coach of the women's soccer team at Baldwin-Wallace College.

Ayers is the College's first full-time head coach and will start in his third season in 2004.

In his second year as head coach of the women's program, he led the women to a 7-10-2 overall record.

Prior to joining the Yellow Jackets, Ayers served as an assistant coach to Ohio Athletic Conference rival Mount Union College in 2001 and is no stranger to soccer in the OAC.

He previously coached in both the men's and women's programs at Ashland University (2000-2001) and Hiram College (1997-2000). A part of Ohio's college soccer scene for the past eight years, he has been a part of five conference championship teams and two teams that have advanced to the NCAA Division II or III National Tournament.

Ayers holds his National "A" License from the United States Soccer Federation. He is a

## To Contact Head Coach Reid Ayers

To contact Head Coach Reid Ayers or any member of the Yellow Jacket staff, please telephone the B-W Athletic Department at (440) 826-3839 or athletics secretary Jackie Ryan at (440) 826-2184. The Athletic Department FAX machine is (440) 826-2192. Coach Ayers can also be reached via e-mail at [rayers@bw.edu](mailto:rayers@bw.edu)

member of the Ohio Youth Soccer Association-North State Coaching Staff. At OYSA-N, he is an age group coach in the Olympic Development Program, a state coaching license instructor and directs a state sponsored Center of Excellence.

Ayers recently was named to the Region II Olympic Development Staff, where he assesses and trains the elite players from 13 different states. He also serves as a regional coordinator for the United Soccer Academy in Del Ray Beach, Florida.

A prominent figure in the club soccer scene, Ayers has led teams to championships in the adidas Warrior Classic, Jarosi Memorial, Mid-American Soccer Classic, Crossroads Classic and adidas Charlotte Easter Showcase. He also had a third place finish in the USA Cup and made quarterfinal international appearances in the Gothia Cup, Dana Cup and the Manchester Soccer Festival.

Ayers recently completed his Masters of Arts degree from Kent State University in Sport and Recreation Management. A 1988 graduate of Hiram College, Ayers was team captain his junior and senior seasons and earned Most Valuable Player honors his senior year.

A three-time All-Presidents Conference performer, Ayers is

amongst the Hiram College all-time leaders in career and season assists. He holds the distinction of starting every game in his college career.

"We are pleased that Reid Ayers is leading our men's and women's soccer programs at Baldwin-Wallace College," said veteran B-W Athletic Director Steve Bankson.

"Reid is knowledgeable about the game of soccer, is an outstanding teacher of the game and expects excellence both in the classroom and on the field and is a fine tactician," said Bankson.

"In addition, Reid has shown in just two years that he is an outstanding recruiter and has both our men's and women's soccer programs moving in the right direction," said Bankson. "Each year, we have seen a great deal of improvement in each program.

"With Reid and his staff at the helm, we are looking for another excellent season in 2004," said Bankson. "We are lucky to have Reid Ayers at B-W."

## Assistant Coach Kurt Krueger

Kurt Krueger will begin his third season as the head assistant and strength and conditioning coordinator for the Yellow Jacket men's and women's soccer teams.

Krueger has a great deal of experience coaching soccer. He has been an assistant coach in the Ohio Youth Soccer Association-North since the year 2000. He has also been coaching boys soccer at the Everest Soccer Club since 1998 and an assistant coach for the Green High School Boys

soccer team since 1996, where they were a three-time regional semi-finalist and District Runners-Up in 2000.

Coach Krueger was named Boys Division I Assistant Coach of the Year in 2001 by the Greater Akron Scholastic Soccer Coaches Association.

While at B-W, Krueger also works with fellow assistant coach Tracy Hart in the women's program.

"Kurt is an outstanding coach and individual who helps me to get the best effort out of each and every player whether it is on the field of play or in the classroom," said third-year Head

Coach Reid Ayers.

"Kurt is a very competitive individual who transponds that on to our student-athletes," said Ayers. "He asks each player to give his or her total effort whether they are in a biology class or playing in a soccer game.

"In addition, Kurt cares a great deal about our program and where it is headed," said Ayers. "With his help, we are both looking to make B-W not only a contender for an Ohio Athletic Conference title but also as a Great Lakes Region and national Division III tournament participant. We are lucky to have Kurt at Baldwin-Wallace College."

---

## Assistant Coach Tracy Hart

Tracy Hart will begin her 11th year of coaching soccer at Baldwin-Wallace College. She spends most of her time as a goalkeeper coach for the Yellow Jacket women's team.

Coach Hart graduated from Ohio Athletic Conference rival Marietta College and was an All-OAC goalie for the Pioneers.

Besides being an assistant coach with the soccer program, Hart teaches health and physical education in the Cleveland Municipal School District for grades kindergarten through eighth.

In 2001, she received the AFLAC Assistant Coach of the Year award as voted upon by her peers.

"Tracy is an outstanding teacher of the game of soccer,"

Baldwin-Wallace College Assistant Women's Soccer Coach Tracy Hart received the 2001 AFLAC National Division III Assistant Coach of the Year Award for her efforts both on and off the field. Hart is a valuable member of the Yellow Jacket coaching staff.

said third-year Yellow Jacket Head Coach Reid Ayers. "She brings a wealth of knowledge to the program and has a great rapport with our women's players.

She is well-respected by both our players and the other members of our staff. Tracy is a great asset to our program."

## The Ohio Athletic Conference; the third oldest conference in the nation

Entering its 102nd year, the Ohio Athletic Conference will look to continue its prominence during the 2004-05 year. In 2003-2004, the OAC was once again represented well at the national level, both academically and athletically.

During the 2003-04 season the OAC advanced 11 teams to the NCAA Division III "Sweet 16", including Wilmington College winning the National Title in women's basketball. Mount Union College finished runner-up in football and the John Carroll University men's basketball squad finished third. Three teams finished in the "Elite Eight" at the NCAA's: Ohio Northern University in volleyball, Muskingum College in softball and Wilmington in indoor track and field; and five teams ended their seasons in the "Sweet 16": Baldwin-Wallace College in football, Wilmington in women's soccer, JCU in men's soccer and wrestling and Otterbein College in men's golf. Individually, Mount Union's Eddis Singleton and Wilmington's Emily Herring both became national champions in their respective events, the 50-yard freestyle in swimming and the high jump in track and field.

Individually, the Conference was represented by 56 All-Americans, 32 men and 24 women, and 13 Academic All-Americans to go along with a bevy of regional and

national honors for our student-athletes and coaches. The Conference also had an athlete earn CoSIDA Academic All-America Team Member-of-the-Year honors in her respective sport.

The OAC, the third oldest conference in college athletics, is predated only by the Michigan Intercollegiate Athletic Association (1888) and the Big Ten (1895). The Conference is older than the World Series and even the NCAA itself and has survived two world wars, the Great Depression, the Korean War and the Vietnam Conflict. From a modest beginning of six charter members in 1902, the OAC grew to as many as 24 members in the mid-1920s.

Through the years a total of 30 colleges and universities at one time or another have been members of the OAC. Currently the Conference consists of 10 members, including Baldwin-Wallace College, Capital University, Heidelberg College, John Carroll University, Marietta College, Mount Union College, Muskingum College, Ohio Northern University, Otterbein College and Wilmington College. Wilmington became the 31st OAC member school, on July 1, 2000.

In the OAC's first year of existence,

1902, the first Conference champion was crowned. Case Tech won the football title with a 5-0-0 record. Outdoor track was added a year later and a third sport, cross country, became a Conference sport in 1914. More sports were steadily added to the OAC's repertoire throughout the years, culminating in the addition of women's sports in 1984. The Conference currently sponsors championships in 21 sports, 11 men's and 10 women's.

The enrollments at the 10 OAC institutions range from 1,200 to 4,500. All of the schools were founded in the 19th century and have long and outstanding academic reputations. While maintaining these high academic standards, Ohio Athletic Conference athletic teams and athletes have consistently enjoyed a great deal of success on a regional and national level. The athletic competition is viewed not as an end in itself, but as an extension of the educational programs.

For more information on the Ohio Athletic Conference, please contact OAC Information Director Julie Work by phone at (330) 963-0444, FAX at (330) 963-0459, or e-mail her at [jwork@oac.org](mailto:jwork@oac.org). Information can also be accessed through the OAC website at [www.oac.org](http://www.oac.org).

## Ayers' Goal is to Win the OAC Title

When Reid Ayers was named as the head men's and women's soccer coach at Baldwin-Wallace College he was realistic about the goals for his team.

First Ayers needed to build a winning program -- one that believes in itself and has the confidence that it can compete year-in and year-out.

Next, Ayers needed to spend

countless hours with his staff recruiting numerous top-flight players. This would make the Yellow Jackets competitive against the rugged Ohio Athletic Conference competition.

Now Ayers goal is to mold his positive and talented team into a winner in and out of the OAC.

"We are still working to get

better every day," said Ayers. "That is a goal of ours. We cannot become complacent at any time. We found out about that last year. We have learned from that experience.

"This year, I expect our team to be better on offense and defense," said Ayers. "We have some very good athletes on this team. Our goal is to make the OAC Tournament."

## Freshmen and Sophomores Dominate the Roster in 2004

The 2004 edition of Reid Ayers 21-player Yellow Jacket women's soccer team contains eight freshmen, eight sophomores, four juniors and one senior. Despite being young, the 13 players who return this fall are experienced. In addition, 20 of the 21 players on the roster are from the state of Ohio.

Only midfielder Scarlett Gemm is a senior. She is a four-year varsity player who also competes on the softball team.

The junior class contains four

extremely talented players, led by 2003 leading scorer Jenny Miller. In addition, Kellie Corbett, a former STARR (Students Taking Active responsible Roles) Student-Athlete of the Month exemplifies the leadership of the junior class.

The sophomores are talented and became battle-tested a year ago. And, the freshmen may be the most talented yet.

If B-W is to have success this year, it will need a contribution from its youth movement.

# Yellow Jacket Women Looking Forward to a Winning Record in 2004

**BEREA, OHIO --** The 2004 edition of the Baldwin-Wallace College women's soccer team will look to continue its improvement and its goals are to have a winning record and be more competitive than last year.

The 2003 Yellow Jackets featured a rebuilding team full of young talent with senior leadership. After losing five seniors to graduation, including three-time All-OAC and two-time OAC "Goalie of the Year" Amanda Avram, third-year Head Coach Reid Ayers will look to a solid sophomore class along with a talented freshmen group to lead the way this season.

"Anytime you start the season, your goal has to be to make the conference tournament and give yourself a position to compete in the NCAA Division III tournament. This year will be no different," said Ayers.

In just two seasons at the helm, Ayers and the Yellow Jacket coaching staff have taken a program that had won four games over the course of two years and has led the team to 9-8-3 and 7-10-2 records, respec-

tively. The nine wins in 2002 were more than the previous three seasons combined, and despite the record in 2003, the women's team continued to show why they are a team on the rise in the OAC.

For the women, sophomore goalkeeper **Emily Leonard** will look to compete with incoming freshman **Michelle Neff** for the starting spot. Both will be counted on to fill the void left by Avram. A year ago, **Leonard** was the backup to Avram, who ended her stellar career as the school's all-time leader in saves with 728. **Leonard** appeared in four games and collected 12 saves. **Neff** set an Ohio High School Athletic Association (OHSAA) season record with 20 shutouts during her senior year at Strongsville High School.

Sophomores **Ann Burnworth** and **Melissa Herd** return on defense after a solid first season in Berea in 2003. **Burnworth** played in 16 games and **Herd** appeared in 18 of the 19 games.

A trio of sophomores will look to control the midfield, including **Ashley Belardo**, **Emily Lawrentz** and **Kristi Michaels**. **Belardo** led the squad with three assists and recorded two goals for seven points as a freshman. **Lawrentz**, who was voted by her teammates as the "Rookie of the Year", collected a pair of assists in 17 games. **Michaels** also played in 18 games.

"Those three will look to run the midfield and Melissa (Herd) will need to organize the defense," Ayers stated. "We will need their leadership to show the way for our underclassmen."

Up front, Ayers will look to sophomore forward **Jenny Miller** and juniors **Katie Demby** and **Emily Roll** to provide a constant scoring threat. **Miller** had a standout first year at B-W. She came to B-W from NCAA Division I Miami of Ohio. **Miller** led the team in scoring with seven goals and one assist for 15 total points. For her efforts, she was tabbed second-team All-OAC and third-team All-Ohio. **Demby**

scored a goal and **Roll** tallied five goals and added an assist a year ago.

"We need to have another strong year from Jenny with her scoring," said Ayers.

"With a very young team, I want them to develop strong habits on and off the field and to make team chemistry one of our strengths," continued Ayers. "Team chemistry and getting results against teams that we should will both be keys to our success."

With 11 incoming freshmen and a solid core of upperclassmen to lead the way, the 2004 Yellow Jackets are expected to be better on defense, at midfield and up front. The key will be making up for the loss of Avram.

"It all starts with bringing the right players to campus. Good on the field and productive members of the campus. They strive to make themselves the very best they can be and are good ambassadors for the program. Now that we have had some moderate success, I am going to really challenge both teams to go to the next level and beyond."

*Sophomore midfielder Ashley Belardo returns in 2004 after scoring two goals and collecting a team-high three assists a year ago.*

# Amanda Avram Ended Her Yellow Jacket Soccer Career as One of the Best Ever in Goal

Graduated three-time OAC Goalkeeper of the Year **Amanda Avram '04** ended her Yellow Jacket career as one of the finest goalkeepers to ever wear the brown and gold for

the women's soccer team.

During her tenure at B-W, she was a mainstay in goal for the Yellow Jackets. **Avram** holds the school career record for saves with 728. She also recorded 23 shutouts. She recorded 222 saves as a freshman and 225 as a sophomore. Her 225 saves in a season rank fourth all-time in OAC history. Her 728 career saves rank second all-time in the OAC behind the all-time leader, Julia Rose, who graduated from Heidelberg College in 2003 with 828 career saves. **Avram** received All-OAC honors and was selected as the team Most Valuable Player all four years.

A year ago, she played a total of 1459 minutes in 17 games, allowing only 1.73 goals per game and saving 164 shots for a 9.65 saves per game average. Michelle Henry '03 and **Avram** combined for nine shutouts in 2002, which is the second-most in B-W history. The 1996 women's soccer team recorded 10. "Statistics

are meaningless. The only stat that matters is the score. I wanted to do whatever I could to help my team win and I tried to be a leader and good teammate," said Avram.

As a freshman, she played in 17 games and collected 222 saves. She faced 412 shots and allowed 47 goals for an average of 2.76 goals allowed per game. She also recorded two shutouts. As a sophomore in 2001, she played in all 18 games and tallied the second-highest B-W single-season save record with 225. Her efforts on the field paid off as she received her first of three straight OAC Goalkeeper of the Year awards.

Her efforts were recognized even after the season was complete. **Avram** was selected as the Students Taking Active Responsible Roles Student-Athlete of the Month for February. STARR is a program designed to recognize exceptional student-athletes who show a great balance between athletic, academic, personal, service, leadership and other involvement.

Third-year head coach Reid Ayers is impressed with what he saw during his two years working with **Avram**. "Amanda was an outstanding student, soccer player, team leader and leader and contributor on our campus," said Ayers. "In my nine years of coaching college soccer, she is probably the most tal-

ented female keeper I have seen. She is a good athlete with excellent balance, soft hands and a keen sense of the game. She is competitive, personable and respected by her teammates and opponents. She was always looking out for the better interest of the team instead of herself."

# The Facilities at Baldwin-Wallace College Are Among

The Baldwin-Wallace College student is afforded the opportunity to learn, exercise, practice and play in some of the finest facilities in small college athletics. In addition, as a student at B-W, each has an opportunity to use a group of facilities that are unparalleled in Division III athletics.

The Recreation Center with the Ursprung Gymnasium, Harrison Dillard Track and Natatorium, The George Finnie Stadium, the B-W Baseball Field, the "Pop" Collins Tennis Complex and other outdoor recreation and athletic areas at Baldwin-Wallace make the Yellow Jackets physical plant second to none among small colleges.

The Baldwin-Wallace College Recreation Center, dedicated on October 18, 1986, is a facility that benefits all B-W students, faculty, staff and alumni and is considered one of the top recreation facilities in the country.

The 150,000 square foot Rec Center serves as home for the health and physical education departments, all winter intercollegiate and intramural sports, as well as playing host for a number of amateur sporting events.

The Rec Center, which includes the Rudolph S. Ursprung Gymnasium, serves as the home of Yellow Jackets basketball,

volleyball and wrestling teams. Ursprung Gymnasium, which has housed B-W basketball since 1949, received a complete renovation in 1986. In addition to B-W playing in the Ursprung Gym, the Ohio High School Athletic Association has long

courts that can be used individually or in tandem for volleyball, basketball, tennis and other activities. On many occasions, the B-W basketball team has been playing a game while a wrestling match or an intramural basketball game was taking place in

*The Ursprung Gymnasium was renovated in 1986 and seats more than 2,800 fans for basketball, volleyball and wrestling. The basketball stands are situated away from the floor with an excellent view from any angle.*

used the B-W facility for its sectional and district tournaments for boys.

The fieldhouse consists of a 200-meter, six-lane track that is named for 1949 B-W graduate and four-time Olympic gold medalist Harrison Dillard. The track, with its Mondo surface, is both fast and comfortable for the walker, jogger or serious runner. Pits for the field events are also incorporated. The track surrounds three multi-purpose

the Rec Center fieldhouse.

The Harrison Dillard Track, along with the multi-purpose courts, have been home for the B-W indoor track teams, the John Summa Invitational Wrestling Tournament, the Ohio Sports Festival (basketball and wrestling venues) and many local high school track meets.

Also in the Rec Center is the B-W Natatorium, home to the Yellow Jacket

*The Baldwin-Wallace College Natatorium is home to Yellow Jacket swimming and diving. The pool is also available to all B-W students and receives use by the community and elderly.*

*The Harrison Dillard Track in the B-W Fieldhouse is a six-lane, 200-meter oval that has served as the site of many B-W, OAC, high school and amateur championship meets.*

# the Best for Any Small College in the Country

*In 1998 The George Finnie Stadium was filled with more than 10,000 fans to watch the Yellow Jackets play football. It is known as the "Magic Carpet." It has also served as the site for five Division III national track meets, the Pan Am Games qualifying meet, the Ohio Games and the A.A.U. Junior Olympic championships. It seats 8,100 fans comfortably.*

swimming and diving teams. The facility includes a 25-yard, six-lane pool with a one-meter diving board. The movable pool bottom has adaptive physical therapy applications and can be used by the disabled.

As part of the renovation of Ursprung, chairback seating and a new media center were constructed while training and physical therapy, laundry and eight locker rooms were added. Other features include a room for news media as well as exhibit and storage areas for the B-W Athletic Archives. The Archives give students, alumni, parents, friends and visitors to Baldwin-Wallace a glimpse of the rich tradition and heritage of Yellow Jacket teams and athletic greats.

The Finnie Stadium (pictured above) is one of the nations best small college stadiums for football and track and field. The Yellow Jacket men's and women's soccer teams also play at Finnie.

B-W has already hosted three NCAA Division III national championship track meets, numerous NCAA and Ohio High School Athletic Association football play-off games as well as being the home field to both Berea High School and Middleburg Heights Midpark High School. The Ohio Sports Festival/Ohio State Games also uses Finnie as both a regional and state championship site.

The B-W Baseball Field is located on the campus within walking distance of the

student dormitories. The facility has a manicured playing surface and seating for approximately 200 fans. The B-W Baseball Field has been the host site for four OAC Baseball Tournaments and is home to the nationally-ranked Yellow Jacket baseball squad.

The "Pop" Collins Tennis complex is named in honor of former B-W tennis coach

and teacher Arthur Worth Collins, the father of nationally renowned sportswriter and television tennis analyst Arthur "Bud" Collins '51. The facility is on campus and includes six courts which are lighted for night play.

In addition, the Yellow Jacket softball team plays at the Cuyahoga County Fairgrounds Field. Last spring was the first season for the Yellow Jackets at their new field.

Does such a strong group of facilities benefit the Yellow Jacket women's basketball program? Definitely! Practice time is available in the Ursprung Gym or the fieldhouse. That means the men and women can practice at the same time without conflict. Players have a wide variety of options for preseason and post season weight and conditioning programs.

"The entire Rec Center is a plus to our program," says head coach Cheri Harrer. "The playing, practice and dress facilities are among the finest in Division III. Having a number of courts in the fieldhouse gives us the opportunity to work with a greater number of players in our varsity and junior varsity programs.

"It is one of the finest training centers of any small college in the nation," says Harrer. "We feel the Rec Center has answered the needs of the B-W community."

*The student-athlete is afforded the best in equipment to use in B-W's weight and training rooms. B-W also benefits from its affiliation with the Cleveland Clinic Sports Medicine Division. A clinic doctor is at virtually every athletic event.*

## Applying to Baldwin-Wallace

Admission to B-W is offered on a selective basis. Each application is reviewed independently on its own merits, with careful consideration of course work, class rank, grade point averages, recommendations, test results (SAT or ACT) and extracurricular activities. To apply for admission, we encourage you to complete the application between **September** and **March** of your senior year.

A good high school preparation for B-W includes four years of English, and at least three years of math, social science and natural science, two years of foreign language, and three years of additional academic electives.

Candidates are considered as soon as all application requirements have been met, with notification usually within four to six weeks after their credentials are received.

## An Exceptional Value

B-W is committed to making college affordable. In fact, your chances of receiving some form of financial assistance at B-W are excellent. Nearly two-thirds of our current students receive B-W need-based aid; and more than 90 percent receive assistance in some form.

Your first step in the financial aid process is to complete the F.A.F.S.A. (Free Application for Federal Student Aid). This should be completed no later than March 1st. After you have been admitted to B-W and the F.A.F.S.A. report has been received and processed, you will receive your award. Typically this will consist of gift assistance (need-based grant and scholarship), low interest federal loans and work study employment.

The Baldwin-Wallace College men's soccer student-athlete is one of the best publicized in all of small college and NCAA Division III athletics. Several factors help this to happen.

Its location, its national and conference affiliation and philosophy of athletics, its administration and coaches and its support of the student-athlete all play large roles in telling others about B-W and the successes of its student-athletes.

Baldwin-Wallace College is a small, private, liberal arts college located 12 miles southwest of Cleveland, Ohio. While being in the small and progressive local community of Berea, B-W student-athletes benefit from being close to a major urban area such as Greater Cleveland/Akron. B-W athletics receive support both in Cleveland and Akron and in the Berea community itself.

Being a member of the prestigious Ohio Athletic Conference and playing NCAA Division III athletics also is an advantage. Coaches who are teachers first forge a solid commitment to the Division III philosophy of the student-athlete. Baldwin-Wallace also is proud of its athletic heritage and the fact that it has produced 54 College Division Academic All-Americans since 1972. A year ago, B-W had two Academic All-Americans: football student-athlete Joe Harbour (Upper Sandusky, Ohio) and softball student-athlete Nicole Loudin (Sheffield Lake, Ohio).

"We feel that athletics participation is a part of the educational experience of our student-athletes, not apart from it," said Baldwin-Wallace College President Mark H. Collier.

"We are extremely proud of the success of our athletics programs and our student-athletes."

In 2003, Matt Kish, a football student-athlete attained the highest grade point average in the senior class and was awarded the Milton T. Baldwin Prize at graduation.

Support in terms of facilities, equipment and transportation and in staff provides the Baldwin-Wallace student-athlete with a luxury not enjoyed at many other schools.

One part of that support is in the area of sports information. A diligent staff of B-W sport information student assistants and sport management majors work with the director to publicize B-W and its coaches and student-athletes in 20 NCAA Division III sports.

The students learn first-hand about publicizing a program by updating the internet website, writing hometown press releases and doing feature stories, doing game and cumulative statistics as well as statistical analysis, game and special event programs, recruiting brochures and media guides, contacting local, state and national media sources prior to and after each game and promoting and administering special events during athletic contests.

Each Yellow Jacket Men's Soccer student-athlete receives a preseason, mid-season and postseason hometown press release which is sent to the individual student-athlete hometown newspaper. When the student-athletes fill out a preseason questionnaire, each is asked to list his or her hometown newspaper.

After each men's varsity soccer game, the internet website is updated, a FAX is sent to B-W's base of local, state and national media that regularly cover or have requested B-W coverage. In addition, hometown facsimile messages about individual performances are also sent either the night of the contest or the next day.

The day following an athletic event, statistics are updated and made available to all requesting the information.

Campus radio station WBWC, 88.3 FM, broadcasts all home and away football and basketball games as well as covering all other Yellow Jacket sporting events, press conferences or announcements on a selected basis. *All Yellow Jacket men's and women's basketball games are also broadcast over the internet website at [www.bw.edu/athletics](http://www.bw.edu/athletics).* A number of former B-W student broadcasters have gone to successful careers in the Greater Cleveland area, both in radio and in television. In addition, the four local commercial television stations and numerous radio stations do game coverage and feature interviews on a selected basis.

The Baldwin-Wallace College student-athlete receives excellent local small college coverage both in terms of game coverage and hometown coverage by *The Plain Dealer* (Cleveland's major daily with a circulation of more than 500,000 homes), the *Chronicle-Telegram* (based in Elyria, Ohio), the *Morning Journal* (based in Lorain, Ohio), the *Beacon-Journal* (based in Akron, Ohio), the *Medina County Gazette* (based in Medina, Ohio), the *Sun Newspapers* (Cleveland's largest weekly newspaper serving the Greater Cleveland area) and a number of other daily and weekly publications in Northeast Ohio.

Overall, the sports information office at Baldwin-Wallace College offers the student-athlete the opportunity to receive maximum exposure at the small college level. In addition to giving the Yellow Jacket student-athlete the most comprehensive coverage available at the NCAA Division III level, the B-W sports information student assistant garners solid skills in writing, communications, marketing, promotion and publication layout and design. Overall, 14 former SID student assistants have gone on to sports information careers at either the NCAA Division I and I-AA level such as the University of Texas, Arizona State University, the University of Nebraska, the University of Arkansas, the University of Florida, Monmouth (N.J.), Kent State University, Eastern Michigan University and others. Others are involved with professional teams such as the Kansas City Chiefs of the NFL and the Cleveland Force of the MISL.
