

First Year Career Checklist

- Explore Your Options**
Meet with your Career and Academic Advisors to discuss majors, minors and career options.
- DISCOVER Yourself**
Assess your interests, values and skills using DISCOVER online – discuss your results with a Career Advisor.
- Enroll in College 101: First Year Experience (Fall)**
This course assists students with making a successful transition to college life, including career planning.
- Enroll in College 115: Career Decision-Making (Spring)**
This course provides hands-on opportunities for self and career exploration while establishing career goals.
- Attend the Career Services First Year Student Open House (Fall)**
Meet the Career Services staff and student assistants to learn about career-related programs/services.
- Utilize the B-W Career Network**
Search for jobs and internships, connect with alumni mentors and register for events at <http://bw.experience.com>.
- Begin Building Your Resume**
Attend a Resume Writing Clinic. Pre-register for a session through the *Calendar* on the B-W Career Network.
- Get Involved**
Join a campus club and participate in a volunteer activity.
- Begin Connecting Classroom Experience with Real World Experience**
Search for summer jobs and internship opportunities related to your career interests.
- Utilize Campus Resources**
Seek out the campus resources like the Learning Center, the Writing Lab and Counseling Services for support.
