

Sophomore Year Career Checklist

- Declare Your Major, if you haven't already**
Sophomore year can be the ideal time to declare your major – see your Career and Academic Advisors for support.
- Meet with Your Career Advisor**
Learn how to link your major to various career options by strategizing with your Career Advisor.
- Update Your Resume**
Highlight your first year experiences and accomplishments – your Career Advisor can help!
- Update Your Profile on the B-W Career Network**
Update your profile information each year (preferably once a semester) at <http://bw.experience.com>.
- Begin Exploring Internships**
Attend an Exploring Internships Workshop to learn how internships clarify career goals and increase marketability.
- Attend an Internship Registration Workshop – Tuesdays at 12pm in Career Services**
After you have secured an internship, learn how to register the experience for academic credit.
- Network with Employers and Alumni**
Connect with employers at campus events and find mentors through *CareerConnections* on the B-W Career Network.
- Attend Career Services Programs/Events**
Check the *Calendar* on the B-W Career Network for a complete schedule of events.
- Stay Involved**
Consider taking a leadership role in a club and/or organization.
- Utilize Campus Resources**
Seek out the campus resources like the Learning Center, the Writing Lab and Counseling Services for support.
