REL-393-S01	Sem: Parables of Jesus One Religion course. The parables of the Sower, the Good Samaritan, the Prodigal Son--these are some of the most familiar and beloved stories in the Bible. However, these cherished stories are neither simple nor clear. Countless interpreters have proposed different interpretations of all of the parables of Jesus. At the same time, many scholars believe that in the parables of Jesus we come close to hearing the actual voice of the man from Nazareth. In this seminar, we will attempt to understand how and why these stories continue to puzzle, provoke and intrigue us, and we will explore the remarkable vision of life that Jesus seems to be communicating by means of his parables.	3	01:00PM-02:15PM	MW	MART 315	R.
