ASPIRE + ACHIEVE

APPLICATION FOR UNDERGRADUATE ADMISSION 2018-2019
The Baldwin Wallace community is made up of students with varied interests and diverse socioeconomic, geographic, racial, ethnic and religious backgrounds. The admission committee carefully examines the academic achievement and aptitude of every candidate for admission to Baldwin Wallace University. The goal of the admission committee is to admit students who can best benefit from and contribute to the academic program and life of the University.

While no minimum grade point average or standardized test score is specified, students must provide evidence of their preparation and fit for future success at Baldwin Wallace University consistent with code of conduct statements for the University, program or profession. All aspects of a student’s application are considered and used as the primary means for informing an admission decision. The freshman class profile, found at bw.edu/first-year-profile, provides preparation metrics for the most recently enrolled class.

To make a qualified decision, the admission committee requires the following information for each applicant:
- Completed application for admission
- Personal essay
- Official high school transcripts
- Superscored ACT or SAT scores OR a recent graded paper
- School Report form
- Teacher Recommendation form (optional)
- Official college/university transcripts – If you have enrolled in college courses, send official college/university transcripts directly to the Office of Admission from each institution attended.

Though not required, an on-campus interview with an admission counselor is highly recommended.

# TEST-OPTIONAL: Applicants who have earned at least a 3.0 cumulative GPA may choose not to submit test scores at the time of admission. If you choose to submit scores, we will consider them when reviewing your application. If you choose not to submit your ACT or SAT scores, you must indicate this on your BW application or on the BW member page if using the Common Application, and you must submit a recently graded paper that adequately reflects your writing ability. The graded writing sample assists the admission committee with its admission evaluation and when determining the level of merit scholarship a student may qualify to receive. Test scores submitted after test-optional students have been admitted are used to assist with course placement at BW. Please note that homeschooled and international applicants must submit test scores to be considered for admission.

All students are required to submit test results at the time of enrollment. Results of the ACT and SAT are used for research and placement at BW.

The admission committee has determined that the following high school curriculum will best prepare most students for academic success at BW:

ACTING (BFA) INSTRUCTIONS

AND AUDITION

Students applying for the BFA in acting program must submit the BW application or Common Application and audition. Specific guidelines can be found at bw.edu/academics/undergraduate/acting.

Acting (BFA) Application Timeline

The application deadlines and notification timetable for the BFA in acting program mirror that of the Conservatory of Music; however, BFA students are not eligible for Conservatory talent scholarships.

GENERAL INFORMATION

Financial Assistance
To be considered for need-based assistance, students must submit the Free Application for Federal Student Aid (FAFSA) to the federal processor after October 1 of their high school senior year. BW’s Federal code number is 003014. Go to bw.edu/finaid to access the FAFSA form.

Scholarships and Awards
Students are considered for scholarships and awards at the time of the admission review. No separate application is required. Applicants are encouraged to apply before priority deadlines and file a FAFSA to maximize access to scholarships and need-based aid. Talent scholarships for music students are awarded in March.

NOTIFICATION OF ADMISSION DECISION

Students may begin applying to BW for the following fall term as of August 1, though the first notifications for admission will not be sent until early October. Beginning in October, applicants are notified of admission decisions on a rolling basis within two to four weeks upon the completion of their application to BW. The priority application deadline is November 1. Although students are encouraged to apply before May 1 so they are in a position to meet the priority student deposit deadline, applications will continue to be accepted on a space available basis until the start of the fall semester.

Conservatory Application Timetable

- The BW application, which includes the conservatory audition supplement, and audition fee must be postmarked by November 1 to audition in November; and by January 10 to audition in January or February.
- Audition dates may only be reserved through the application process.
- Recorded auditions must be received by February 15 to be considered for talent scholarships.
- The $75 audition fee must be paid at bursar.bw.edu before the audition will be confirmed by the Conservatory Admission Office.
- Students with a completed application and audition will be notified of their admission status with the University and Conservatory by mid-March. Please note: Students must be academically admissible to Baldwin Wallace University and approved by audition to be considered for admission to the Conservatory of Music.
- All applicants are considered for academic scholarships and awards at the point of admission review; no separate application is required. All Conservatory instrumentalists and voice performance students are considered for talent scholarships. Complete aid and scholarship packages are sent to admitted Conservatory students after March 15.
- When the number of successful auditions exceeds studio capacity, the Conservatory may establish waitlists for specific instrument areas or majors. If you are placed on a waitlist, you will be informed of your Conservatory admission status before June 2018.

PERSONAL ESSAY
This writing sample helps us become acquainted with you in ways different from courses, grades, test scores and other application information. It will demonstrate your ability to organize thoughts and express yourself. For students who apply test-optional, the personal essay assists the admission committee with its admission evaluation and when determining the level of merit scholarship a student may qualify to receive.

Please write an essay (250-300 words) on one of the options listed below that will help BW get to know you better as a person and as a student. Indicate your topic by checking the box below:

☐ 1. Evaluate a significant experience, achievement, risk you have taken or ethical dilemma you have faced and its impact on you.
☐ 2. Indicate a person who has had a significant influence on you and describe that influence.
☐ 3. Describe a character in fiction, a historical figure, or a creative work (as in art, music, science, etc.) that has had an influence on you, and explain that influence.
☐ 4. Topic of your choice.

Attach your essay on a separate sheet(s) (same size please). You must put your full name, date of birth and name of high school on each sheet.

OTHER REQUIRED INFORMATION
1. Have you ever been found responsible for a disciplinary violation at any secondary school you have attended, whether related to academic misconduct or behavioral misconduct, that resulted in your probation, suspension, removal, dismissal, or expulsion from the institution?  ☐ Yes ☐ No

2. Have you ever been convicted of a misdemeanor, felony, or other crime?  ☐ Yes ☐ No

If you answered yes to either or both questions, please attach a separate sheet of paper that gives the approximate date of each incident and explains the circumstances.

I authorize all secondary schools I’ve attended to release all requested records and authorize review of my application for the admission process indicated on this form.
