MESSAGE FROM THE PRESIDENT

I would like to thank all of the individuals involved in making these classes possible. It takes a lot of volunteers for this to happen and fortunately we have many members willing to work to bring these classes to you, as well as register you in the class, coordinate the class, locate places for the class and make sure the audio/visual equipment is ready for the presenters. But, we could not do any of it without the marvelous presenters. Thank you all.

As you register, please be very careful to note the various times and dates for classes. There are several courses given that go for three weeks instead of six. The starting dates also vary for a few classes.

In addition to classes, we also have members working to bring you trips of varying lengths and local Live Performances. You have received and will continue to receive interest sheets about these. When you return your sheet, we get an idea about interest in those events and plan accordingly. Details on the event are then sent to members who have indicated an interest.

Upcoming dates for ILR activities include: May 16th, 10 am, Annual Meeting where you will elect officers, hear what we have been doing the past year and share what you would like us to add or change; May 18th, Annual Awards Dinner; August 9th, Book and Author Luncheon. Details on these events will be mailed to all members at a later date.

Thank you for your continued interest and participation in ILR.

Keep learning,

Jean Robejsek
President

REGISTRATION

Membership in the ILR is required to register and attend classes. All members of record as of February 24, 2016 are eligible to register for Spring 2016 classes.

Class registration opens March 7 and registration forms must be received by the close of registration 11:30 am, March 17, 2016. Registrations received after that date/time will be returned to the sender.

If a class you have chosen has been filled, the fee will be automatically refunded unless you list an alternate selection. There will be no follow-up phone notification from ILR regarding filled classes.

Classes may be added or changed until the close of registration at 11:30 am March 17. Class confirmation letters identifying locations will be mailed shortly after registration closes.

Class limits are set by room size, parking availability and/or presenter choice. Our practice is to observe a “first received, first enrolled” policy that is fair to all members. We do our best to meet your requests but demand for a class often exceeds the space available.

Please note: Most classes are not held on the actual BW campus, but at neighboring churches and other venues in and around Berea.

WEATHER CONDITIONS

IF THE BEREA CITY SCHOOLS ARE CLOSED DUE TO INCLEMENT WEATHER, THE ILR CLASSES WILL NOT MEET. THE ILR OFFICE ALSO WILL BE CLOSED.

REGISTRATION: HELP US GET IT RIGHT

- Access the ILR office voicemail (440-826-3188) for a daily announcement on which classes are full.

ILR CLASS CANCELLATION POLICY

- If ILR cancels a class, a full refund will be issued unless two **(2)** class sessions have been presented, in which case there is no refund.
- If a member cancels a class **before** registration closes, a full refund will be issued.
- If a member cancels a class **after** registration closes and before the beginning of classes **and** due to serious illness or death, a full refund will be issued. (Note: all **three** conditions must be met.)
