

OHIO STATE HOUSE, as of March 2017

These numbers reflect election results and the number of women sworn in at the beginning of a legislative session.

Given the frequency of resignations and appointments, the number of women who served during a 2-year legislative session may vary.

YEAR	Total number of women who ran	Number of Dem women who ran	Number of Rep women who ran	Total number of women who won	Number of Dem women who won	Number of Rep women who won	Total number of races (seats)*
1922	8	4	4	4	0	4	134
1924	14	6	8	8	0	8	129
1926	14	6	8	8	1	7	135
1928	14	7	7	7	0	7	133
