OHIO STATE SENATE, as of March 2017

In 1956, Senate terms were set at 4 years. Prior to that, they were 2 years.

Since 1966, Senate elections are staggered with approximately half up every 2 years.

YEAR	Total number of women who ran	Number of Dem women who ran	Number of Rep women who ran	Total number of women who won	Number of Dem women who won	Number of Rep women who won	Total number of races	Total number of women in the Senate	Total number of seats in Senate
