

*We welcome you to the
172nd Commencement Ceremony
of
Baldwin Wallace University.*

*Please join us as
we proudly celebrate
the many accomplishments
of our May 2022 graduates.*

A message from
Robert C. Helmer, Ph.D., J.D.
President of the University

To our graduates, their families and friends,

Congratulations on your outstanding achievement. We know you worked very hard to earn your degree and that you have much to celebrate. The entire BW community joins me in expressing our pride for your accomplishment. Today, you join tens of thousands of BW alumni around the world who each day make meaningful and lasting professional and personal contributions that change lives in myriad ways.

Wherever you go, be proud to be a YJ4L and a part of a legacy that has followed generations of graduates for more than 175 years. Each individual adds a chapter to the story of BW. It is a remarkable story filled with aspirations, successes, steadfast commitment, and a unity and compassion that defines who we are as individuals and as an institution of higher education.

Please know we look forward to welcoming you back to campus for events and to hear of your successes. Your journey at BW has not ended but continues over a lifetime.

Best wishes for a safe, healthy and successful future.

All good things,

Robert C. Helmer
President

A message from
Stephen D. Stahl, Ph.D.
Provost of the University

Your graduation from Baldwin Wallace means you not only take with you the knowledge and skills you've gained, but also the memories, friendships and mentoring relationships you've developed along the way.

During your time at BW, you may have met hundreds of people – on campus and from across the country – who are connected to BW. You now are connected with those alumni who share the same great experiences and memories.

Help keep the connections growing by proudly sharing your alma mater with whomever you meet.

The BW experience and education are the cornerstone of who you have become. You have the ability, powered by BW, to accomplish even greater things than you have ever imagined. When you entered BW, you were greeted at the welcome center and there on the wall is a quote:

The mind is not a vessel that needs filling, but a fire to be kindled.

—Plutarch

This should mean more to you today than the day you entered BW. My hope is that you will do well in life after BW, but also that you will honor your faculty and the staff who nurtured and guided you in your years at BW by making sure that you give back to society by using your education to make your corner of the world a better place.

Congratulations on your achievement,

Stephen D. Stahl
Provost

**BALDWIN WALLACE UNIVERSITY
CLASS OF 2022 SPRING COMMENCEMENT**

MAY 7, 2022, 2:00 p.m.

Stephen D. Stahl, Ph.D.
Provost of the University, Presiding

The names of graduates listed in the Commencement program are based on requirements completed through Fall 2021 and in progress in Spring semester 2022. Student honors noted in the program are based on cumulative averages at the end of Fall Semester 2021. All summa cum laude (3.9 and above), magna cum laude (3.75 minimum) and cum laude (3.6 minimum) honors, which are based on final cumulative averages, will appear on diplomas.

Spring 2022 Commencement Speaker and Honorary Degree Recipient

Randell McShepard

Lauded for his accomplishments in business and community engagement and as a bold voice in elevating the next generation of Black leaders, Randell “Randy” McShepard ’86 is being welcomed back to Baldwin Wallace.

He is the vice president of public affairs and chief talent officer for RPM International Inc., a multinational company with subsidiaries in specialty coatings, sealants, building materials and related services. In this role, McShepard coordinates external affairs for the company (including corporate philanthropy and government relations) and

manages and evaluates leadership development, succession planning and executive training in collaboration with the chairman and CEO.

In addition, he is a board member of the Cleveland Foundation and Destination Cleveland, director for Citymark Capital LLC, and chairman and co-founder of PolicyBridge. McShepard also serves on the Cuyahoga County Citizens’ Advisory Council on Equity and is a past member of the BW Board of Trustees, a role he held for nearly 20 years.

Among accolades, he is a 2013 BW Alumni Merit Award honoree. From his other alma maters, he was inducted into the John F. Kennedy High School Hall of Fame (Cleveland) and was recognized as a Distinguished Alumnus of Cleveland State University (where he earned a master’s degree in urban studies in 1998). In 2017, he received the “Humanitarian Award” from The Diversity Center of Northeast Ohio.

McShepard is also a 2021 PAN Award recipient – an honor given by Cleveland Public Theatre to an individual who inspires others by being dedicated to the community and enlightening and reviving people’s spirit through leadership.

*Mr. McShepard will receive the honorary degree of
DOCTOR OF HUMANE LETTERS*

ACADEMIC DRESS

In the United States, black has been the traditional color for academic gowns, but some institutions authorize holders of their doctorates to wear the colors of the institution. The bachelor's gown is distinguished by its long, open sleeves; the master's by its closed, slit sleeves; the doctor's by its full sleeves trimmed with bands of velvet, which may be black or a color denoting the field in which the degree was taken.

The mortarboard cap, proper for all degrees, is black. Tassels are worn over the left front quarter of the cap. The color of the tassel worn by Baldwin Wallace undergraduate degree candidates indicates the degree they will be receiving: white, Bachelor of Arts; brown, Bachelor of Fine Arts; gold, Bachelor of Science; blue, Bachelor of Science in Education; pink, Bachelor of Music; pink and blue, Bachelor of Music Education. Black tassels are worn by graduate degree candidates for the Master of Arts in Education, Master of Accountancy, Master of Business Administration, Master of Medical Science, Master of Public Health and Master of Science degrees. Holders of the doctorate may wear tassels of gold thread.

Academic hoods vary in length according to the degree and are lined with the colors of the institution by which the degree was granted. The hood is trimmed in velvet in a color that indicates the field in which the degree was taken. Colors associated with some of the various disciplines are: Arts and Letters, white; Business, drab; Education, light blue; Fine Arts, brown; Law, purple; Library Science, lemon; Medicine, green; Music, pink; Philosophy, dark blue; Physical Education, sage green; Science, gold-yellow; Theology, scarlet.

BALDWIN WALLACE MACE

The ceremonial mace is a symbol of institutional authority, which traces its roots to the 15th century and still is commonly used by colleges and universities during academic and ecclesiastical processions.

The Baldwin Wallace University mace is 42.5 inches tall and is made of walnut with two bronze medals and five brass rings for accent. The brown and gold hues are intended to reflect the school colors. Rich in color and design, it includes the BW seal with the five brass rings signifying important dates in Baldwin Wallace history: founding of Baldwin Institute, transition to Baldwin University, founding of German Wallace College, merger of the two institutions to form Baldwin-Wallace College, and change to Baldwin Wallace University in 2012.

In the United States, the mace is borne by the university president, provost, dean or other high official. The Baldwin Wallace University mace is carried by the senior member of the faculty.
