

THIS WORLD HAS PROBLEMS. LET'S SOLVE THEM!

If you are an intellectually curious young person from age 12-17 years, join us this summer for the Gedanken Problem-Solving Institute

for puzzles, activities and games that will challenge your mind and improve problem-solving skills such as

- logic
- operations research
- pattern recognition
- geometrical reasoning.

July 24th – 28th, 2017
at
Baldwin Wallace University
