

Ohio Teacher Evaluation System (OTES) Results

BW-Prepared Teachers and All Ohio Educator Preparation Providers (EPPs)

Reporting Period from Sept 1, 2020 to Aug 31, 2021

Information regarding data available for the 2019-2020 and 2020-2021 school years:

Due to Ohio's ordered school-building closure and subsequent emergency legislation addressing the coronavirus pandemic-related issues (House Bills 197 and 404), OTES/OPES and Value-Added data will be limited or not available. Additionally, during this challenging time, the distribution of some surveys were delayed, contributing to lower response rates.
