2017-18 Federal Direct Loan Change Form

Federal Direct Student Loans are divided equally by the eligible terms of enrollment for the 2017-18 academic year. Please submit this form when you are certain as to the amount of loan funds you wish to receive for the <u>entire</u> 2017-18 academic year.

We are able to return loan funds to your lender within 120 days of the disbursement date. After 120 days have passed, the FAO cannot return funds on your behalf. You can use any excess funds to repay the loan through your lender. Please contact our office if you need further assistance.

The amount credited to your BW student billing account will be 1.069% lower than the amount requested due to the US Department of Education processing fee.
