ILR-EAST 2017/2018 MEMBERSHIP DRIVE
INSTITUTE FOR LEARNING IN RETIREMENT-EAST
BALDWIN WALLACE UNIVERSITY

June 2017

It is time to join or renew your membership to The Institute for Learning in Retirement, known as ILR-East. The membership fee for the 2017/2018 academic year is \$30.00. As a member of ILR, you are entitled to the following benefits:

1. Priority class registration
2. Classes at the reduced members rate
3. Attendance at annual luncheon/meeting at no additional charge
4. Voting privileges to elect officers
5. Opportunities to hold an office and/or serve on committees (see below)

Please Note: Those who are members by Wednesday, August 18, 2017, will receive the fall flyer for early priority registration. Late membership enrollees may miss that priority mailing opportunity. However, membership enrollment will remain open until February 23, 2018, allowing for priority mailing and all member benefits for the winter and spring sessions.

ILR is an all-volunteer organization and, as such, there are several opportunities to get involved. We especially need volunteers with computer literacy, accounting/bookkeeping skills, secretarial skills, or hospitality interests. To help insure our continued success, please consider more actively participating in this learning program by signing up for a volunteer opportunity as listed on the registration form. If you have any questions, please contact the **ILR-East office at 216-987-2985 or ilreast@bw.edu**. Thank you for volunteering!
