

Master of Public Health Program

Curriculum and Course Schedule 2021-2024

The Master of Public Health curriculum, offered in partnership with The MetroHealth System, is designed as a part-time master's program for working adults. Students complete an average of 6 credits a semester. Classes meet nine alternate weekends during the semester for four hours on Friday (5-9 p.m.) and four hours on Saturday (8 a.m.-12 noon). Students can choose to attend classes in-person or remotely starting with the Fall 2021 cohort.
