

### Adolescent Young Adult (AYA) Program Options

*Content Areas: Integrated Language Arts (English), Integrated Social Studies (History or Social Science), Life Science (Biology), Integrated Mathematics, Integrated Science (General Sciences), and Physical Science (Physics and Chemistry).*

*Some AYA Program options allow for a double major – a major in AYA as well as in the Content Areas. For example, if one wishes to teach English, they would take the AYA Program listed below titled, “English: Integrated Language Arts Teacher Education,” which would provide a major in AYA and English.*

*Some AYA Program options allow for a major and a minor – a major in AYA as well as a minor in the Content Area. For example, if one wishes to teach Mathematics, they would take the AYA Program listed below titled, “Integrated Mathematics,” which would provide a major in AYA and a minor in Mathematics.*
