In what way(s) did the presidential debate impact your vote choice?

Text Entry

Donald Trump still is playing reality television instead of role of President

Clarified my vote for Trump

Hilary Clinton continued on the path of lying.

Trump looks like an idiot

Absolutely know what an ass Trump is

solidified my support for TRUMP

they both suck

Trump has no plan, cannot control himself, is verbally threatening and abusive, lied about many things especially voting for war in Iraq several times, Hillary stayed calm, laid out some of her goals and actually answered the questions most of the time

It showed Trump's egotistical attitude, and showed that Clinton wants to discuss and deal with issues and policies.

It made me even more certain that Donald Trump should not be president!!!
