Methodology

The Baldwin Wallace University Ohio Pulse Poll of 856 registered voters was conducted between 09/30/2022 and 10/03/2022.

SurveyUSA administered the survey instrument online to a representative cross section of self-identified registered voters in Ohio who were selected at random by Lucid Holdings LLC of New Orleans. Respondents were weighted to US Census targets for gender, age, race, education, and homeownership.

The margin of error was computed using an adjustment of the classical Central Limit Theorem margin of error associated with random samples. Specifically, the margin of error (computed at a 95% confidence level) was inflated relative to the ordinary calculation by a factor of $\sqrt{1 + [cv(\text{weights})]^2}$, where cv denotes the coefficient of variation. In this survey, the design factor was 1.23.

This margin of error assumes that the weighted estimates are approximately unbiased. This assumption implicitly relies on the assertion that any differences between the survey sample and the target populations on key survey outcomes are corrected by cell weighting against demographic targets. No analysis was conducted to validate that assertion.

The margins of error printed on each question are applicable only to overall results, indicated by highlighted columns in the associated tables. Columns without highlighting refer to demographic subgroups; consequently, such columns necessarily have a higher margin of error. Total column percentages may not add to 100% due to rounding error.

This project was funded by Baldwin Wallace University's Community Research Institute.

Survey Responses

Q1: How would you rate the job each of the following do at representing your views? - President Joe Biden

| Response | Overall | Gender | | Age | | Degree?* | |
|-----------|---------|--------|------|-------|------|----------|------|
| | | M | F | 18-49 | 50+ | Y | N |
| Excellent | 12.4 | 11.7 | 13.0 | 10.0 | 14.6 | 15.1 | 11.1 |
| Good | 15.7 | 14.3 | 17.1 | 17.1 | 14.4 | 20.7 | 13.4 |
| Fair | 18.1 | 18.1 | 18.2 | 20.9 | 15.6 | 15.8 | 19.2 |
