Master of Public Health Program
Curriculum and Course Schedule 2023-2026

The Master of Public Health curriculum, offered in partnership with The MetroHealth System, is designed as a part-time master's program for working adults. Students complete an average of 6 credits a semester. Most classes meet nine alternate weekends during the semester. Some classes may meet during the week from 6:15-9:00p depending on availability.
Students can choose if they want to attend classes in-person or remotely.
