A message from  
**Greg Flanik '97, MBA '10**  
*Interim President of the University*

Congratulations on your outstanding achievement. Earning your degree is a milestone that reflects dedication, perseverance, and passion—and today, we celebrate not only your success, but the start of an exciting new chapter in your life.

As you take this next step, know that the entire BW community stands with pride in your accomplishment. You now join a powerful network of BW alumni—tens of thousands strong—who are shaping their professions, uplifting communities, and leading lives of purpose around the world.

But this moment also marks a new chapter for Baldwin Wallace itself. With every graduating class, our story grows richer and more dynamic. You are not just continuing a 180-year legacy—you are helping to shape the future of BW. Your experiences, ideas, and aspirations are part of the momentum that propels us forward as an institution committed to excellence, innovation, and impact.

Wherever your path leads, carry the spirit of BW with you—your YJ4L pride, your compassion, your commitment to growth. And remember, your connection to BW doesn't end here. It evolves. We look forward to welcoming you back to campus, hearing your stories, and celebrating your future accomplishments.

With warmest wishes for a safe, healthy, and meaningful journey ahead,

Yellow Jackets for Life,

Greg Flanik '97, MBA '10  
 Interim President

**Today's Commencement Ceremony is dedicated  
 to alumnus Rev. James Lawson, Class of 1951.**

The Rev. James Lawson, a prominent civil rights leader and nonviolent activist, passed away on June 9, 2024 at the age of 95. He was known for his work alongside Martin Luther King Jr. and his role in training activists for the Civil Rights Movement.

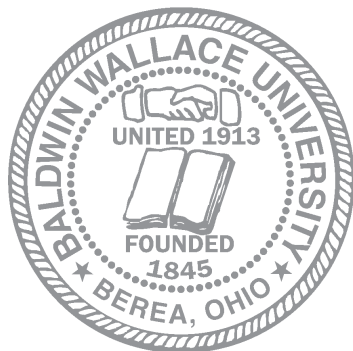

Rev. Lawson was a Baldwin Wallace University graduate of 1951. Lawson, who grew up in Massillon, Ohio, came to BW to study sociology and quickly put his values into practice, joining the local chapter of the Fellowship of Reconciliation as well as the Congress of Racial Equality.

Before finishing his degree, he elected to be a conscientious objector of the draft and was imprisoned for 13 months.

Following his release, he finished his degree at BW and went on to spend three years in India as a Methodist missionary, where he studied Gandhi's methods of civil protest.

Rev. Lawson returned to the U.S. and pursued his education further and started earning a degree from Oberlin College, where he met Rev. Dr. Martin Luther King, Jr. Inspired by King, Lawson moved south to Nashville, Tennessee, where he began holding programs to teach nonviolent protest methods to students. King would later call him "the leading theorist and strategist of nonviolence in the world."

Today, we remember our Rev. Lawson, who walked this campus, learned in these buildings, and is a model of courage and action that best exemplifies the BW spirit.

## GRADUATION REGALIA

Commencement ceremonies are made colorful by the regalia worn by our graduates. The color of the tassel worn by the degree candidate indicates the degree they will receive: white for Bachelor of Arts, brown for Bachelor of Fine Arts, gold for Bachelor of Science, blue for Bachelor of Science in Education, apricot for Bachelor of Science in Nursing, pink for Bachelor of Music, pink and blue for Bachelor of Music in Education. Black is worn by all masters level graduates.

Masters graduates also receive a hood in colors that represent both the institution granting the degree (brown and gold for BW) and their academic area: drab for accounting and business, light blue for education, green for physician assistant and speech-language pathology, salmon for public health.

Some graduates wear items to recognize their participation in campus groups, clubs and achievements. In many cases, students wearing stoles today are expressing their heritage, and their participation is voluntary. The stoles are provided by the students themselves and are a personal choice, not a requirement. Decorated mortarboards have become a welcome part of the celebration and provide an insight into the graduate's personality.

## THE BALDWIN WALLACE MACE

At commencement, the longest-serving senior member of the faculty, who leads the procession, carries the mace—a ceremonial staff. The mace symbolizes the institution's authority and formal recognition of its graduates, representing Baldwin Wallace University's role as a guardian of knowledge and tradition.

This year, the honor of carrying the mace belongs to Dr. Bob Mayerovitch, professor of piano, who bears the staff with the emblem of Baldwin Wallace. Dr. Mayerovitch has served the BW community with distinction for nearly 50 years. Today marks not only his final commencement as a faculty member but also the beginning of his well-earned retirement. We extend our deepest gratitude to Dr. Mayerovitch for his immense contributions to the university and wish him a joyful and fulfilling retirement.
