

Help Grow the STEM Ecosystem!

Baldwin Wallace University

Computing, Engineering, Mathematics, and Science (CEMS)

Fall Showcase 2025

Join us on December 4 from 7-9pm!

As a sponsor of the CEMS showcase you will **promote your brand** while **growing the STEM pipeline**.

1. **Talent Pipeline & Early Access to Students**
Early exposure to 100+ BW students in STEM disciplines
Recruit students for internships and full-time positions
2. **Brand Visibility & Community Leadership**
Position your company as a leader in supporting STEM education and workforce development
3. **Innovation & Thought Leadership**
See creative ideas, fresh perspectives, and novel problem solving from students
Strengthen alignment with your development mission
